GI Diary:

All Hands, 1979 *Until the Last Gun Is Silent* Matthew F. Delmont, 2026-01-27 The untold story of the Black patriots from soldiers in combat to peace protesters who ended the Vietnam War and defended the soul of American democracy from a pre eminent civil rights historian and the award winning author of *Half American* As the civil rights movement blazed through America more than 300 000 Black troops were drafted and sent to fight in the Vietnam War These soldiers often from disadvantaged backgrounds and subjected to the brutalities of racism back home found themselves thrust onto the frontlines of a war many saw as unjust On the homefront Black antiwar activists faced another battle Opposition to the Vietnam War vilified by key allies in the media and government as anti American jeopardized the fight for civil rights For Black Americans the Vietnam War forced a generation to question what it truly meant to fight for justice Award winning civil rights historian Matthew F Delmont weaves together the stories of two Black heroes of the Vietnam War era Coretta Scott King who bravely championed the antiwar cause and eventually persuaded her husband to do the same and Dwight Skip Johnson a Medal of Honor recipient whose life ended tragically after returning from battle to his native Detroit Together these extraordinary accounts expose the contradictions of Black activism and military service during the Vietnam War Through rich storytelling Delmont offers a portrait of this period unlike any other shedding light on a fractured civil rights movement a generation of veterans failed by the country they served and the valor of Black servicemen and peace advocates in the midst of it all Vivid revelatory and meticulously researched *Until the Last Gun Is Silent* How a Civil Rights Icon and Vietnam War Hero Changed America is essential reading for anyone looking to understand the enduring legacy of Black military service protest and patriotism in the United States

GI Diary David Parks, 1968 It is a frank and often touching record of a young soldier s private hopes and fears his reaction to the experience of killing and the thought of being killed and his frustrations over army life and attitudes Many of these frustrations grow out of the fact that he is a Negro from a relative sheltered and affluent background and unprepared for and embittered by the prejudice he encounters from some officers and GIs Dust jacket

Manipuri Optional UPSC Mains Notes *The GI's Rabbi* David Max Eichhorn,2004 Eichhorn also writes of French villagers hiding Jews of the dangers faced by chaplains of the place of Jews in U S Army ranks and of General Patton s well known displays of anger Throughout he conveys the experience of war and how it altered forever a small town rabbi a man of faith and courage who never fired a gun in combat Jacket *American Soldiers* Peter S. Kindsvatter,2003-04-03 Some warriors are drawn to the thrill of combat and find it the defining moment of their lives Others fall victim to fear exhaustion impaired reasoning and despair This was certainly true for twentieth century American ground troops Whether embracing or being demoralized by war these men risked their lives for causes larger than themselves with no promise of safe return This book is the first to synthesize the wartime experiences of American combat soldiers from the doughboys of World War I to the grunts of Vietnam Focusing on both soldiers and marines it draws on histories and memoirs oral histories psychological and sociological studies and even fiction to show that their experiences remain fundamentally the same regardless of the enemy terrain training or weaponry Peter Kindsvatter gets inside the minds of American soldiers to reveal what motivated them to serve and how they were turned into soldiers He recreates the physical and emotional aspects of war to tell how fighting men dealt with danger and hardship and he explores the roles of comradeship leadership and the sustaining beliefs in cause and country He also illuminates soldiers attitudes toward the enemy toward the rear echelon and toward the home front And he tells why some broke down under fire while others excelled Here are the first tastes of battle as when a green recruit reported that for the first time I realized that the people over the ridge wanted to kill me while another was befuddled by the unfamiliar sound of bullets whizzing overhead Here are soldiers struggling to cope with war s stress by seeking solace from local women or simply smoking cigarettes And here are tales of combat avoidance and fraggings not unique to Vietnam of soldiers in Korea disgruntled over home front indifference and of the unique experiences of African American soldiers in the Jim Crow army By capturing the core band of brothers experience across several generations of warfare Kindsvatter celebrates the American soldier while helping us to better understand war s lethal reality and why soldiers persevere in the face of its horrors
