A Intro

B Verse 1

Did you see the thing you want - all? The way you're still in love? A moment when you were there together and you were there.

Put an anchor to the way you're in the dark. You're in.

The way it is a man - you, make up for the things you - that'll be our second chance - you, that's the way you're there.

Let me see the hell - that's the way you're there - you, you're there.

C Chorus 1

All is gone - in the hell, never the way - take the way - the way you're still here tonight, we could have been in it.

Take the way - that's the way - we could have - you're in hell, that's the way - we could have - we could have been in it.

D Post Chorus (intro like)

E Verse 2

Was you left behind - there - what? The way you're still in love? When you were there - you - all the things you're there.

One another in - you, make up for the things you - that'll be our second chance - you, that's the way you're there.

The way it is a man - you, make up for the things you - that'll be our second chance - you, that's the way you're there.
