

My Summer

"Ring, ring, ring!" I jumped for joy at the sound of the school bell on the last day of school. I couldn't wait for school to be out because I knew I was going to have an amazing summer!

First of all, I went to Arizona to visit my Aunt Cindy. For two weeks, I had fun with my favorite aunt. When she saw me, she said, "How's my favorite niece?" I replied, "I'm your only niece!" We had a great time shopping, swimming, and baking cookies. It's always great to visit my Aunt Cindy.

After I got back home, I stayed up late many nights and watched a lot of movies. I like scary movies, but my mom always says, "Scary movies keep you up at night!" She won't let me watch them during the school year. However, she lets me watch some scary movies in the summer since I don't have to get up for school. Staying up late is awesome!

Finally, I did my favorite activity of all. I worked on my crafty scrapbooking projects. There were boxes of pictures just waiting for me to turn them into cute scrapbook pages. I missed my friends from school, so I enjoyed creating colorful pages to help me remember all the fun we had. I made some fantastic scrapbook pages!

I like school, but I love summer! It's really the best time of the year. I wish it would never end!
