Women's Fiction 1945-2005 Deborah Philips,2007-11-01 Organised around each decade of the post war period this book analyses novels written by and for women from 1945 to the present Each chapter identifies a specific genre in popular fiction for women which marked that period and provides case studies focusing on writers and texts which enjoyed a wide readership Despite their popularity these novels remain largely outside the canon of women s writing and are often unacknowledged by feminist literary criticism However these texts clearly touched a nerve with a largely female readership and so offer a means of charting the changes in ideals of femininity and in the tensions and contradictions in gender identities in the post war period Their analysis offers new insights into the shifting demands aspirations and expectations of what a woman could and should be over the last half century Through her analysis of women s writing and reading Philips sets out to challenge the distinction between popular and literary fiction arguing that neat categories such as popular middle brow and serious fiction need more careful definition

Women's Fiction Deborah Philips,2014-06-19 Now in its second edition and with new chapters covering such texts as Elizabeth Gilbert s Eat Pray Love and yummy mummy novels such as Allison Pearson s I Don t Know How She Does It this is a wide ranging survey of popular women s fiction from 1945 to the present Examining key trends in popular writing for women in each decade Women s Fiction offers case study readings of major British and American writers Through these readings the book explores how popular texts often neglected by feminist literary criticism have charted the shifting demands aspirations and expectations of women in the 20th and 21st centuries
