The Girl Singer Marianne Worthington, 2021-11-02 Feminism Appalachian culture and country music three threads beautifully woven into one in Marianne Worthington s poetry collection *The Girl Singer* The poet grew up in urban Appalachia listening to country and folk music and letting it live within her The speakers in *The Girl Singer* offer lyrical celebrations of the women who performed that music and recite their stories anew The girl singer is also the poet one who traces loss through turning seasons monitors the patterns of neighborhood wildlife and creates a sisterhood for singing old songs in new ways *The Girl Singer* is part family history part music and part nature walk Worthington s attentive eye and heart are reflected in the starkly striking and painful images she paints in the poems Every poem whether describing a connection with Appalachian wildlife retelling the lyrics of a classic country tune reflecting on the speaker s bloodline or giving voice to famous musical figures of the past strikes a powerful chord
