Externally Focused Church:

The Externally Focused Church Rick Rusaw, Eric Swanson, 2004 How can your church get the attention of your community It s all about focus Externally focused churches do more than confront their communities they cooperate as well They re quick to partner with community agencies Open to building new relationships They flood their neighborhoods with practical compassion And through it all they carry the love of Christ If non Christians aren t asking what s behind the excitement of your church members it s time to get externally focused *The Externally Focused Quest* Eric Swanson, Rick Rusaw, 2020-11-03 The Externally Focused Quest Becoming the Best Church for the Community is designed for church leaders who want to transform their churches to become less internally focused and more oriented to the world around them The book includes clear guidelines on the changes congregations must adopt to become truly outwardly focused This book is not about getting all churches to have an annual day of community service as a tactic but changing the core of who they are and how they see themselves as a part of their community The Externally Focused Quest outlines ten changes needed for church leaders to transform their churches and presents a highly practical approach that shows leaders how to become more externally focused without having to give up programs that serve members This book reveals what it takes to make the major shift from internal to external focus and how that affects church leadership **The Inside Out Church** Dale Melenberg, 2016 **To Transform a City** Eric Swanson, Sam Williams, 2010 To Transform a City is a valuable guide for those who dream big about the spiritual and social changes possible for the cities and towns that surround their churches Two visionary leaders examine the foundations history theology and practical methods of community transformation [The Externally Focused Life Kit](#) Rick Rusaw, Eric Swanson, 2009-09-02 Welcome to an Externally Focused Life God designed your church for this Your church is wired to serve it as how you grow How your trust in God deepens Where your faith finds traction Embrace a church wide lifestyle of service one motivated by more than duty or obligation Connect your church to your community in an authentic magnetic way Discover how your church members can share faith stories in ways their neighbors want to hear And watch ordinary everyday people your people shift their focus outward You get a The Externally Focused Life book abrimming with practical insights a inspiring stories a and clear Biblical teaching that fuels heart felt growth a The Leaders Pack with everything you need to share the vision for an externally focused life with your entire church Included a promo video and artwork video sessions for small groups a planning guide and sermon outlines a The Childrens Ministry Pack with six lesson plans for both preschoolers and elementary children Included reproducibles the a Itas About God a theme song and curriculum guides a The Youth Pack six one hour sessions Included six printable lesson plans and 18 video teaching segments a three for each session including on the street interviews teaching time and a wrap up to help students apply the teaching to their lives An Externally Focused Life begins here Welcome *The Nomadic Church* William M. Easum, Bill Easum, Pete Theodore, 2005 A guide to the opportunities and challenges facing churches that do not

own their property and what established churches can learn from them Across the country churches are forgoing purchase of land and construction of buildings choosing instead to rent space and allocate their resources to mission and leadership development These churches are faced with a number of challenges such as putting up and tearing down equipment every time they meet getting the word out especially to visitors on where the church will gather any given week and negotiating for additional space However being nomadic provides the church with many important opportunities including that it allows time to build the church as a community before building it with brick and mortar it builds serious disciples by calling on members to sacrifice and it frees funds to be used on mission rather than mortgages Writing for the leaders of portable congregations well as those of more established churches who want to learn from such churches Easum and Theodore have provided the definitive guide to ministry in the nomadic church Bill Easum is a President and Senior Managing Partner in Easum Bandy and Associates a church consulting and nurturing firm One of the most widely sought advisors on congregational health and vitality in North America he has over 30 years of congregational experience with approximately 25 years experience as pastor One of the most respected voices on emerging forms of ministry and congregational life he is the author of several books including *Unfreezing Moves* and *Put on Your Own Oxygen Mask First* both published by Abingdon Press Pete Theodore is Pastor of Teaching at Rolling Hills Community Church in Tualatin Oregon Missional Renaissance Reggie McNeal, 2009-02-03 Reggie McNeal's bestseller *The Present Future* is the definitive work on the missional movement i.e. the widespread movement among Protestant churches to be less inwardly focused and more oriented toward the culture and community around them In that book he asked the tough questions that churches needed to entertain to begin to think about who they are and what they are doing in *Missional Renaissance* he shows them the three significant shifts in their thinking and behavior that they need to make that will allow leaders to chart a course toward being missional 1 from an internal to an external focus ending the church as exclusive social club model 2 from running programs and ministries to developing people as its core activity and 3 from professional leadership to leadership that is shared by everyone in the community With in depth discussions of the what and the how of transitioning to being a missional church readers will be equipped to move into what McNeal sees as the most viable future for Christianity For all those thousands of churches who are asking about what to do next after reading *The Present Future* *Missional Renaissance* will provide the answer **The Neighboring Church** Brian Mavis, Rick Rusaw, 2016-08-02 New Leadership network title to be filled in at a later date by editor Pastorpreneur John Jackson, 2004 Written for church and Christian business leaders this book will teach readers how to recognize God's call and lead their church beyond business as usual through five strategies **Your Mission, Should You Accept It--** Stephen Gaukroger, 1996 Here is a call for every believer to embrace Jesus' expectation that we all play a role in evangelizing the world Find out what the Bible says about reaching the world and what you can do about it *Rediscovering the Jesus Story* Matthew C.
