Extraordinary Behavior:

Extraordinary Behavior Dennis L. Peck, Norman A. Dolch, 2000-10-30 This unique collection of case studies introduces readers to many of the common yet extraordinary social problems in contemporary American society Employing a symbolic interaction approach to the case studies the authors identify the origins of the problems define the issues and explore the outcomes and potential remedies The case studies themselves introduce readers to the very personal side of the problems as the emotions actions and perceptions of the subjects are revealed and analyzed The problems studied here are organized into three categories health related issues family issues and behavior beyond the boundaries and include many problems that often receive too little attention in the existing literature making this book an original and timely contribution Each of the three sections is preceded by a general review of the chapters to follow and offers readers a prelude to the exploration of human thought language and behavior captured and illustrated in the case studies In the first section of the book problems covered include suicide anorexia nervosa alcohol and drug abuse and AIDS STDs The second section covers teenage mothers domestic violence divorce and poverty child support and deadbeat dads and homelessness The last section focuses on sexual harassment equal protection and racial exclusion prostitution career criminals mass murder and serial killers This book represents a fresh new approach and a welcome addition to the study of social problems in America today **Folk**

Traditions of the Arab World Hasan M. El-Shamy, 1995 **Fearless Leadership (PB)** Loretta Malandro, 2009-07-04 Do you want to move your company in a new direction Fearless Leadership provides you with the tools to successfully drive change overcome obstacles and engage and align people in working effectively together to achieve your business objectives Leadership guru Dr Loretta Malandro has developed a groundbreaking behavior based methodology that is used around the globe to create top performing leaders and high performance organizations It is based on a simple but profound concept In order to change your organization you must be willing to alter your behavior and help others make the choice to change their behavior This means demanding 100% accountability from your people and yourself In today's ultra competitive business environment a new leadership approach is needed Fearless Leadership takes you step by step through the process of raising behavioral standards that directly impact the bottom line You will learn the secrets behind Confronting the blind spots that sabotage success Overcoming the success strangling need to be right Eliminating silo mentality and building committed partnerships Ending compliance and gaining full support and alignment Talking straight and confronting difficult situations head on Building a culture of 100% accountability Too many people in leadership positions attempt to enact change through systemic means such as restructuring or altering processes The secret to real and lasting change lies in changing behavior how people work together Change the level of ownership and performance of people and you will transform your organization Leaders who are able to act courageously when faced with uncertainty or fear take bold stands and engage with people in very real ways are those who generate great and long lasting results Fearless Leadership shows you how
