The Freedom of Forgiveness Chad W. Gonzales, 2009. For too many Christians, we have allowed God's command of forgiveness to go by the wayside, not understanding that unforgiveness is Satan's subtle yet deadly trap. If Satan can get us in unforgiveness, then he has caused us to disobey the one law of the kingdom of God: love. As a result, all hell breaks loose in our lives, yet most of us don't notice because we are too consumed with the emotional wound we received from the person who offended us. Join Chad Gonzales in this life-changing book as he reveals the deadly dangers of unforgiveness, how to break the chains of bitterness, and how to forgive even the worst of offenses.

The Freedom of Forgiveness: The Key to Happiness Timothy O. Abraham, 2018-04-03. Often times, people struggle to get past painful memories in their lives. Even though this is not something new, and we all know that we should learn to forgive and forget since elementary school, unfortunately, many people tend to dwell on the past, and that only creates a downward spiral of pain and disappointments. The book puts this in simple terms so that you are able to start off with letting go of small things and work your way towards the bigger picture.
