God Or Goddess:

Gods and Goddesses in Ancient Italy Edward Bispham, Daniele Miano, 2019-12-06 This collection explores the multifaceted nature of the gods and goddesses worshipped in ancient Italy. It examines Italic, Etruscan, and Latin deities in context and in the material remains and also in the Greco-Roman written record and later scholarship which drew on these texts. Many deities were worshipped in ancient Italy by different individuals and communities using different languages at different sanctuaries and for very different reasons. This multiplicity creates challenges for modern historians of antiquity at different levels. How do we cope with it? Can we reduce it to the conceptual unity necessary to provide a meaningful historical interpretation? To what extent can deities named in different languages be considered the equivalent of one another, e.g. Artemis and Diana? How can we interpret the visual representations of deities that are not accompanied by written text? Can we reconstruct what these deities meant to their local worshippers, although the overwhelming majority of our sources were written by Romans and Greeks? The contributors of this book, a group of ten scholars from the UK, Italy, France, and Poland, offer different perspectives on these problems, each concentrating on a particular god or goddess. *Gods and Goddesses in Ancient Italy* offers an invaluable resource for anyone working on ancient Roman and Italian religion. *Dictionary of Gods and Goddesses* Michael Jordan, 2014-05-14 Presents brief entries describing the gods and goddesses from the mythology and religion of a wide variety of cultures throughout history. **Greek Gods & Goddesses** Britannica Educational Publishing, 2014-01-01 Giving Western literature and art many of its most enduring themes and archetypes, Greek mythology and the gods and goddesses at its core are a fundamental part of the popular imagination. At the heart of Greek mythology are exciting stories of drama, action, and adventure featuring gods and goddesses who, while physically superior to humans, share many of their weaknesses. Readers will be introduced to the many figures once believed to populate Mount Olympus as well as related concepts and facts about the Greek mythological tradition. **Ten of the Best God and Goddess Stories** David West, 2014-09-26 Contains adaptations of ten stories about gods and goddesses. *Gods of God's Own Country - Theyyam* Tiger Rider, Saji Madapat, 2022-10-02 The Gods of God's Own Country is a reminder of a forgotten culture and the communities surrounding it.
