

Little Animal Adventures

Go to Sleep, Little Groundhog

Reader's Digest Young Families

A detailed illustration of a groundhog standing in a snowy, winter landscape. The groundhog is the central focus, shown from the chest up, facing right. It has brown fur on its back and head, with a white patch on its face and chest. Its eyes are closed, and it has a peaceful expression. The background consists of rolling snow-covered hills under a pale blue sky with soft, white clouds. The overall style is soft and painterly, typical of children's book illustrations.
