GOD'S CALL FOR REPENTANCE (PART - II) Antony I Raj,2023-05-12 This is the continuation of Part I which helps the reader to understand how Important he she is in the eyes of God Also this book enlightens people on how the Evil spirits are deceiving them to commit sin and makes them as slaves of sin and abuse their body which is the temple of the Holy Ghost thereby they indulge in sin endlessly Further this book enlightens on how the sinfulness of people makes them to lose the blessings which are promised to them by God in obedience The author s endeavor is to enlighten people on how to overcome their weaknesses and sinful desires that makes them to fall in sin repeatedly Thereby they can overcome their sinful nature glorify God and become an instrument in God s hand to be used in the work of SALVATION and receive eternal life which was promised by Jesus Christ

Spurgeon Keeney Dickenson,2024-10-03 The priority a pastor places on preaching is best measured by his investment of prayer Wholehearted prayer reflects high priority and limited prayer means low priority It is tragic when sermons are mechanically written as an academic exercise with a brief invocation and benediction This book contains the tools needed to develop a pulpit ministry that is prioritized in prayer Charles Spurgeon is a worthy example of balancing theological acuity and pastoral spirituality His example as illustrated in this book will point the pastor to Christ and call him to give himself continually to prayer and the ministry of the word

[Evangelism Techniques](#) Felix Ilesanmi,2014-05-21 EVANGELISM TECHNIQUES is a call to evangelise Following the principle of I Corinthians 9 22 the author presents ten different but related approaches to evangelism The singular aim is that by all possible means some might be saved Is it mere fun that the average Christian of our time hardly wins a single soul in a whole year Is it a laughing matter that the modern Christian sees evangelism as the work of only the evangelists Is it a joke that our lives sometimes push the would be Christians farther away from our Lord Don t we need to study and act on the ways we can better disciple the world for Christ EVANGELISM TECHNIQUES attempts to make you see and do your part in the task of world evangelisation Beginning from the Sower s Technique touching Children Missionary Miracle and the Synagogue Techniques among others the author culminates the treatise with what he calls Barnabas Technique You won t regret your moments sincerely spent with EVANGELISM TECHNIQUES
