God In Three Persons:

God in Three Persons Blessed Trinity Rinaldo Washington, 2011 **God in Three Persons** Millard J. Erickson, 1995 The trinity is the least understood and most important concept in the church Yet many would just as soon jettison it in the interest of ecumenical unity God in Three Persons defends the significance of a trinitarian definition and explains it in understandable terms God in Three Persons Nathan Clay Brummel, 2016-11-09 Christians believe just as much as Jews or Muslims that there is one God The New Testament teaches that God is one We know that an idol is nothing in the world and that there is none other God but one I Corinthians 8 4 The church came to understand that although God is one in being He nevertheless exists in three distinct persons The author shows how the Scriptures teach the doctrine of the Trinity and why this doctrine is important for Christian theology and practice Discover seven passages in the New Testament where Jesus is explicitly called God *God In Three Persons, Blessed Trinity* Robert E. Marshall, "Understanding" the Trinity Will Daniels, 2009-02-26 Understanding the Trinity is a revolution in Christian thought and philosophy True Christianity is a Jewish religion established and organized by Jews Gentiles were invited by Jews with God s approval to participate in the Christian movement However Gentile Leaders in most Christian Churches of the world today do not preach the original Christian gospel message of salvation that was first delivered to the saints by the apostle Paul Galatians 1 8 9 Understanding the Trinity Three Persons vs Three Manifestations will bring us back to the original gospel message the oneness of God and the power of God s name in the face of Jesus Christ Deuteronomy 6 4 Luke 2 11 When Billy G Newton Bishop Diocesan of the 29th Episcopal District Pentecostal Assemblies of the World Inc Pastor of the Word of God Church read this book he said This book was so fascinating I couldn t put it down When Kevin Seraaj M Div J D Senior Pastor Cornerstone Baptist Church Publisher Central Florida Advocate News read this book he said Understanding the Trinity is a timely relevant and extremely provocative piece of work In a time when the church must be challenged to move out of old ways notions thoughts and traditions this book will without question provide a forum for much needed theological discussion For students of the Bible this book is a must read for it is always that process of reading analyzing and debating that enables us to move forward in both our personal and spiritual journeys Great job Author s Note You have in your possession the true gospel of Jesus Christ Don t let the birds steal your seeds Matthew 13 3 13 KJV *God in Three Persons* Allen Vander Pol, 2001 All who embrace historic orthodox Christianity affirm the doctrine of God s tri unity But how many Christians can articulate this central and fundamental article of faith especially when cultists attack it as unbiblical Allen Vander Pol has developed a concise and lucid introduction to the Trinity After making clear the doctrine s essential nature he demonstrates that while the term Trinity does not appear in Scripture the concept does He concludes with a chapter on objections to trinitarianism especially those mounted by the cults **The Triune, Or, The Existence of One God in Three Persons, Father, Son, and Holy Ghost** Timothy Alden Taylor, 1848 *An Explanation of the Assembly's Shorter Catechism* Thomas Vincent, 1854 *The Four*

The Oxford Handbook of the Trinity Gilles P. Emery,Matthew Levering,2011-10-27 This handbook examines the history of Trinitarian theology and reveals the Nicene unity still at work among Christians today despite ecumenical differences and the variety of theological perspectives The forty three chapters are organized into the following seven parts the Trinity in Scripture Patristic witnesses to the Trinitarian faith Medieval appropriations of the Trinitarian faith the Reformation through to the 20th Century Trinitarian Dogmatics the Trinity and Christian life and Dialogues addressing ecumenical interreligious and cultural interactions The phrase Trinitarian faith can hardly be understood outside of reference to the Councils of Nicaea and Constantinople and to their reception the doctrine of the Trinity is indissociably connected to the reading of Scripture through the ecclesial and theological traditions The modern period is characterized especially by the arrival of history under two principal aspects historical theology and philosophies of history In contemporary theology the principal theological loci are Trinity and creation Trinity and grace Trinity and monotheism Trinity and human life ethics society politics and culture and more broadly Trinity and history In all these areas this handbook offers essays that do justice to the diversity of view points while also providing insofar as possible a coherent ensemble **The Essential Works of Christianity** Johann Wolfgang von Goethe,Martin Luther,Henryk Sienkiewicz,Dante Alighieri,Henry Van Dyke,David Hume,James Allen,Ralph Waldo Emerson,Andrew Murray,John Bunyan,Grace Livingston Hill,Thomas Paine,Voltaire,Lew Wallace,John Milton,Charles M.
