How Does God Listen? Kay Lindahl, 2013-01-21 Multicultural Nondenominational Nonsectarian Endorsed by Protestant Catholic Jewish and Buddhist Religious Leaders Playfully explores with kids how God listens and how learning to listen is important How Does God Listen encourages children to use all of their senses to explore and develop a personal relationship with God How does God listen How do we know God is listening to us Children will find the answers to these questions as they engage their senses while the story unfolds learning how God listens in the wind waves clouds hot chocolate perfume our tears and our laughter The simple yet profound text accompanied by vibrant colorful photographs captures the experiences common to children of all faiths and backgrounds as they begin to understand the many ways God listens to us Filled with wisdom and love How Does God Listen delights the senses and expands the ways we think about God and God's presence in our lives How Do I Know that God is listening I can't See God Well there are lots of things we can't see yet we know they are there How can we know that God listens to us This lively book helps children use all of their senses to explore how God is always present in their everyday lives and is always listening Using simple everyday examples to which children can relate How Does God Listen helps children develop a direct and personal understanding of God How Does God Listen teaches children and the rest of us that God is everywhere and that the world is full of wonder *Does God Listen to Rap?* Curtis Allen, 2013-11-01 A lot of people think that if there is one style of music in the world that God hates it has got to be rap Some have even gone so far as to call rap An unclean thing before the Lord They don't believe something originally associated with so much evil can ever be redeemed for God's glory Lots of other people love and accept rap as their preferred form of musical expression Many of these who are Christians can't imagine why God would have any issues with rap at least not with songs by believers that encourage and edify them in the faith Who's right And maybe more importantly who cares You should And here's why In the past 30 years rap music has become a vital artistic and cultural force globally and it's showing no signs of slowing down Like it or not you are probably exposed to rap in one form or another on a fairly regular basis If you're interested in this book you may be a believer in Jesus who likes rap a lot and as Christians when we love something that is if you hadn't noticed closely associated with sin and rebellion our justification for being involved with it really does need to go beyond Dude this is good stuff But maybe you're in a different category Maybe you're a Christian parent concerned that rap music may have a negative impact on your child Maybe you're a youth pastor worried about having a rap concert at his church because of the potential pushback Or maybe you're just a rap fan who is curious to see if there's even any biblical evidence for or against rap To put it simply if you've made it this far this book is probably for you Does God Listen to Rap covers two areas First it presents a sociological history of the emergence and development of rap If you enjoy rap and hip hop culture you'll love this part of the book Then the book explores the Scriptures to bring some

biblical not just personal or anecdotal resolution to the question of God and rap Ultimately this involves a set of larger questions involving God and the arts This is more than just an apologetic for rap music this is a biblical way to think about how Christians can be in the world yet not of the world and how they can express themselves to the glory of God So does God listen to rap Come find out
