Joy to the World Olivia M. Cloud, Olivia Cloud, 2006-11-21 Representing a wide range of denominations ethnicities and communities across the nation this thoughtful book offers more than 100 sermons from America s most beloved religious leaders as they articulate the true meaning of Christmas

Haggai, Zechariah Mark J. Boda, 2004 The NIV Application Commentary Series The setting Jerusalem Recently returned from Babylonian captivity the Jews are occupied with personal pursuits while the temple of Yahweh lies in ruins To the prophets Haggai and Zechariah falls the task of calling God s people to their forgotten priority rebuilding his house Heeding prophetic admonition the people overcome the obstacles that face them and prosper in their work thanks largely to the vision and encouragement of the prophets The books of Haggai and Zechariah represent a golden period in Old Testament history but they are often overlooked Yet these two minor prophets speak a major message to the church today It is one that calls us as a community of faith to the priority of God s house and inspires us with glimpses of its future glory Exploring the links between the Bible and our own times Mark J Boda shares perspectives on Haggai and Zechariah that reveal their enduring relevance for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don t discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our present day context It explains not only what the Bible meant but also how it speaks powerfully today This series promises to become an indispensable tool for every pastor and teacher who seeks to make the Bible s timeless message speak to this generation BILLY GRAHAM Some commentaries build walls that isolate you back in the ancient world The NIV Application Commentary builds bridges that make the Bible come alive with meaning for contemporary life and the series does so concisely clearly and accurately No wasted words or academic detours just solid help and practical truth WARREN W WIERSBE

Matthew 1-13 Manlio Simonetti, Thomas C. Genesis 1-11 Anwarul Azad, Ida Glaser, 2022-09-07 Genesis is the book of beginnings and creation begins with light Most religious people live with shuttered windows receiving light only from their own people and their own tradition Genesis 1 11 calls us to recognize all peoples as created by God and under the rainbow covenant of his light This commentary opens windows on seeds of truth from Genesis 1 11 which are planted in the various environments in front of the text including the New Testament rabbinic tradition the Qur an and Bangladeshi culture It examines those seeds in their

original seedbed discerning how their truths will unfurl from the fragrant Genesis 1 11 bud of theology through the blessings given to Eve Noah and Abraham Windows on the Text is a ground breaking Bible commentary series written by followers of Jesus in Muslim contexts It develops biblical insight in deliberate conversation with the Qur an the Hadith and local Islamic cultures Confident that the Bible in its entirety speaks directly into Muslim contexts it opens new windows into the holy word of God to equip and empower believers to live out their faith in loving service and clear communication within their communities

**The Sign** Robin Maugham, 1974 *Israel and the Covenants in New Testament Times* Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
