close of this evil age according to the Scriptures we are living in the time of the fifth of the seven seals Revelation 6 9 11 Four seals have been fully fulfilled The sixth seal is soon approaching as the initiation of the great tribulation that will shake not only the earth but also heaven Revelation 6 12 17 Ezekiel Chapter One is the deepest and profound chapter in the entire Bible The divine concept in this chapter is unfathomable Nonetheless we should experience this chapter on a daily basis in our Christian life Therefore it is imperative that all believers in Christ have a daily experience of a clear sky in their prayers A clear sky indicates a crystal clear heaven transparent fellowship and a pure undefiled conscience void of offense before the Lord and man Moreover in order to have a purified conscience without mixture we need to daily even hourly confess our sins and keep short accounts before the Lord as the day draws near The intrinsic significance of God s Word is the inoculation suffusion and dispensing of His life and nature into your tripartite being making you the same as He is in life and nature only but not in the Godhead Partaking of God s Word in the all inclusive Spirit will produce an organic union with the believers making them members as His organic Body the church Message 6 Israel s Deplorable Spiritual Condition Characterized by Today s Christianity An Excerpt from the Ministry Unfortunately the actual condition of Israel was very poor If we read the long record in Ezekiel from Chapter Two to Chapter Twenty four we may feel like weeping over Israel s pitiful condition Rebellious House The people of Israel were God s elect but they became rebels against God Many times in these twenty three chapters God said that Israel was a rebellious nation a rebellious house In 2 3 the Lord said to Ezekiel And He said to me son of man I am sending you to the children of Israel to rebellious heathen who have rebelled against Me they and their fathers have transgressed against Me unto this very day In verses 5 and 6 God referred to them as a rebellious house and in verse 7 He said that they are most rebellious They were God s elect but they had become rebels against God These are also the main causes of the degradation of God s New Testament elect the Church Revelation 2 4 12 15 Walking after the Manner of the Nations After the people of Israel became associated with the nations they began to walk after the manners and customs of the nations This means that they followed the nations We need to realize that the three causes of the fall and degradation of Israel are also the main causes of the fall and degradation of today s Christianity These causes are loving something more than the Lord or in place of the Lord association with the world and walking after the manner of the heathen Although we are in the Lord s recovery I am concerned that some may still have an idol within them may still be associated with the world and in their daily living may still walk after the manner of the heathen We should not pattern our life after unbelievers in any way For example we should not follow the unbelievers in the matter of the style of dress We should not care for any particular style but care to have a proper outward appearance The way we live the way we spend our money and the way we dress should not be after the manner of the nations We are a holy people and for this reason we must be different from the worldly people Message 7 God s Judgment Based on His Righteousness Holiness and Glory as Characterized by Today s Christianity Scripture Reading Ezekiel 8 2 4 9 3a 11 22 24 10 2 22 20 22 14 21 12 15 7 21 33 21 3 17 9 4 6 8 11 16 17 20 40 17 22 23 21

10 27 29 21 God's Righteous Judgment on His People What is the basis of God's righteous judgment upon His people? God's judgment on His people is based on three intrinsic matters: that is, God's righteousness, God's holiness, and God's glory. As previously mentioned in Ezekiel Chapter 1, there is a Throne with the appearance of a sapphire stone, as signified by God's righteousness. The fire signifies God's holiness, and the electrum signifies God's glory. As we approach yet another holiday season, we need to be clear that all these negative things are an affront to God. Why? Because these negative things oppose God's righteousness, holiness, and glory and perpetually provoke Him to wrath. Ezekiel 8:1-11:25 depicts a deplorable, vivid picture of Israel's miserable condition, spiritually and physically, as typified by the church in Laodicea (Revelation 3:14-22) and characterized by Christendom. Because the presence of God's glory invariably filled the Temple, idolatry was an insult to the Spirit of God. Today's temple is our tripartite being where the indwelling Spirit of God abides. Moreover, Ezekiel saw in a vision images of idols all over the walls of the Temple, and God's people weeping and worshipping idols therein. The degradation of God's people precipitated God's gradual departure from the Temple, the city, and ultimately the people. In the Christian life, it is the same: once the believer deviates to idol worship, first his human spirit affects His departure, then our soul affects His departure, and finally our physical body affects His departure. Since the degraded believer left his first love for the Lord, the lampstand is removed, as typified by the church in Ephesus (Revelation 2:1-7). Regrettably, even the lampstand is removed from the individual Christian believer who has degraded to idol worship. The Lord will never tolerate idols that utterly invade our hearts. As a result, Christ, the Preeminent One, is replaced with idols in their hearts. Consequently, Christ is hindered to the uttermost from making His home in their hearts due to the occupation of idols. Resultantly, Christendom typifies the church in Laodicea as Christless, with Christ knocking at their doors. Furthermore, Christendom, as typified by the church in Laodicea, has not only left their first love for the Lord but also lost the glory of God. Therefore, the severity of God's righteous judgment is initially upon the effulgence of His glory. Any believer who has anything or anyone that attacks God's glory has invoked His righteous judgment. Undoubtedly, Christendom is under God's direct judgment and will suffer gradually by degrees until the manifestation of His judgment seat. Why? Because idolatry of every kind is lawlessness. In principle, there are all kinds of things that can become an idol. To illustrate, there are countless American idols in this country, even adulterating the Word of God for base gain: our jobs, sports, activities, family, husband, wife, children, and so forth. Indeed, today's Christendom is replete with seasonal idols of every kind, as well. All idol worship will be judged at the judgment seat of Christ (2 Corinthians 5:10). Message 8: Today's Christianity: Abuse of Freedom and the Need for a Vision of God's Eternal Economy. Scripture Reading: 1 Corinthians 6:13-20. 6:13 Foods are for the stomach, and the stomach is for foods, but God will bring to nought both it and them. But the body is not for fornication, but for the Lord, and the Lord for the body. 6:14 And God has both raised up the Lord and will raise us up through His power. 6:15 Do you not know that your bodies are members of Christ? Shall I then take the members of Christ and make them members of a prostitute? Absolutely not! 6:16 Or do you not know that he

who is joined to a prostitute is one body For He says The two shall be one flesh 6 17 But he who is joined to the Lord is one spirit 6 18 Flee fornication Every sin which a man may do is outside the body but he who commits fornication sins against his own body 6 19 Or do you not know that your body is a temple of the Holy Spirit within you whom you have from God and you are not your own 6 20 For you have been bought with a price So then glorify God in your body How desperately we need to see a governing vision of God s eternal economy that is God s desire to build Himself into His called chosen redeemed regenerated transformed and conformed people to make them His duplication counterpart reproduction habitation and dwelling place in their hearts through His divine dispensing Thus the Church is produced as the organic Body of Christ for His corporate expression and manifestation to consummate in the New Jerusalem for all eternity Being Many Members of Christ s Organic Body According to God s eternal planned economy our bodies are members of Christ s organic Body Do you know the truth about our bodies being members of Christ s organic Body We need to see a vision of this subjective truth Why Without a vision the people will become reprobate in mind and heart as Proverbs 29 18 says Where there is no vision the people cast off restraint Unfortunately this is precisely the spiritual condition of the church in Corinth The church in Corinth is a Gentile church that the apostle Paul raised up It was through him that they believed and received the Lord Jesus as their Savior However during that time they abused their freedom in Christ and became degraded For God to fulfill His eternal planned economy with the believers in the church in Corinth they needed to allow Christ to build His home His dwelling place within their hearts that they may be filled with the fullness of God and thus produce the Church as His organic Body Ephesians 3 17 However due to their negligence indifference and passivity they filled themselves with substance and alcohol abuse 1 Corinthians 5 11 6 10 11 21 15 34 including fornication of every kind and sodomy Indeed the church in Corinth characterizes today s Christendom Since we should be members of Christ s organic Body according to Romans 12 1 4 5 we need to desperately practice this membership and offer our bodies to Him In other words instead of becoming members of a denomination Christendom desperately needs to become living members of Christ s organic Body We need a governing vision concerning this deep truth in the Scriptures concerning God s eternal purpose in creating man He is the Triune God to dispense Himself in your tripartite being *Living in Gods Light* Susan Willhauck, 2003-02 How do we see the light of God How does seeing the light of God affect the way we live The Scriptures in this study use images of light and vision to talk about encounters with God The Scriptures show that these encounters had a powerful effect on the lives of the biblical characters The images of light communicate God s life giving power guidance and revelation as well as the response of the biblical characters as their knowledge and vision of God becomes clearer You will explore the Scriptures and the images of light in order to discover ways you might live in God s light and ways you might reflect God s light to others Sessions The Burning Bush God s Light Attracts We Respond Exodus 3 1 8 13 15 4 10 16 A Light to My Path God s Light Guides We Trust Nehemiah 9 9 27 Light Among Us God s Light Arrives We Rejoice Luke 1 28 38 2 1 38 The Light of the World God s Light
