Fasting Lynne M. Baab,2009-09-20 You re blessed when you ve worked up a good appetite for God Matthew 5 6 The Message We live in hungry times Ours is a consumer culture predisposed to quickly fill the cravings of body and mind The idea of fasting the voluntary denial of something for a specific time for a spiritual purpose sets us immediately on edge But Lynne Baab makes the case that anyone can fast Fasting is an expression of freedom Free from the patterns and habits that mark everyday life from time to time we can move beyond our appetites into meaningful encounter with God In Fasting you ll discover an ancient Christian practice that extends beyond giving up food to any regular activity in our contemporary lives

You'll see how taking a break from eating or driving or checking e-mail or watching television opens us up to discover new things about ourselves and God and the world around us. You'll see that while not everyone should forgo food, anyone can step out of routine to feed the soul. In a time of great spiritual hunger, God invites us all to a feast of fellowship with the Creator of the universe where all our truest needs are identified and attended to.
