**Gods, False-gods, and the Untouchables** Swapan Kumar Biswas,1998      **Worshipping False Gods** Arun Shourie,2012-07-27 Over the last couple of decades B R Ambedkar has come to be idolized as no other political leader has His statue is one of the largest in the Parliament complex Political parties have reaped rich electoral dividends riding on his name A decades old cartoon of him in a textbook rocked Parliament for days recently causing parties across the political spectrum to run for cover and call for the withdrawal of the offending cartoon In *Worshipping False Gods* Arun Shourie employs his scholarly rigour to cast a critical look at the legend of Ambedkar With his distinctive eye for detail Shourie delves into archival records to ask pertinent questions Did Ambedkar coordinate his opposition to the freedom struggle with the British How does his approach to social change contrast with that of Mahatma Gandhi s Did the Constitution spring from him or did it grow as a dynamic living organism Passionately argued and based on a mountain of facts that it presents *Worshipping False Gods* compels us to go behind the myths on which discourse is built in India today      **God of the Untouchables** Dave Hunt,John S. Gupta,1999 The son of a high caste Hindu moneylender Vankateswami Gupta broke with tradition in a land steeped in religion Upon his conversion he was renamed Paul after the great apostle because of his unusual zeal After being put out of his home and owning nothing more than the clothes on his back and a Bible Paul learned to walk with God      *Fake Gods and False History* Jonathan Galton,2023-11-23 In an age where history is a global battleground and fake news proliferates culture wars are being waged across India over its future majoritarian or inclusive neoliberal or socialist religious or secular *Fake Gods and False History* takes us to the BDD Chawls a central Mumbai neighbourhood of tenement blocks chawls on the brink of a controversial redevelopment It reveals how contested narratives of Indian history play out in the daily life of this divided neighbourhood and how the legacies of certain godlike but very human historical figures such as Dr Babasaheb Ambedkar and Chhatrapati Shivaji are invoked by different communities Jonathan Galton draws on research conducted among the formerly untouchable Dalit Buddhist community who are staunchly opposed to the redevelopment plans and deeply critical of the religious nationalism they perceive in their Hindu neighbours We also meet young male migrants living in village linked dormitory rooms called Gramastha Mandals trapped in a liminal space between urban and rural Throughout the book which is woven through with candid reflections on methodology and research ethics readers are challenged into drawing connections with their own experiences of history impinging on their lives A story that might initially seem parochial will thus resonate with a diverse global audience      *Nine Decades of Marxism in the Land of Brahminism* Saugat K. Biswas,2008      **Who Worship False Gods** Ganga Das,1997      *The Children of Sorrow* Manohar Patil,2020-09-18 *The Children of Sorrow* is not a fictitious literature though it is written in a fashion of a novel It is a kind of historical document of particular period What author has done only that he recreated all characters and thrown into new and dramatic circumstances This is a lamentable tale of untouchables who were victims to

unequal social system poverty and discrimination The author minutely observed the twists and turns in their life till their involvement in three point formula of Dr Ambedkar educate organise and agitate The author explained how the untouchables were trapped in poverty hunger dearth and starvation at all times How the villages were turned in to prison by the high caste people and how the untouchables put to torture there with a view to castrate their brain and morale Cruelty was the law of the land and it was destroying them physically and spiritually They were rendered to that position where the crocodile tears also didn t fall to their share

**AMBEDKAR AND THE MAKING OF MODERN INDIA: SOCIAL TRANSFORMATION, DEMOCRACY AND GENDER JUSTICE** Dr. Chittaranjan Mallik, The idea of writing this book has been germinating in my mind for long time but due to certain unavoidable reason could not get it finished Really it is very tough task to put together Dr Babasaheb Ambedkar s ideas and thoughts on entirety in a single book yet this book is an attempt to provide a coherent account on his socio political struggles to establish an egalitarian transformative society with the ideas of liberty equality fraternity and social justice through the Constitutional means with all odds of caste indignities and challenged the age old social structure intellectually rooting on the ground and rendered unwavering contributions in making modern India

*Gandhi against Caste* Nishikant Kolge,2018-02-15 In 1909 while still in South Africa Gandhi publicly decried the caste system for its inequalities Shortly after his return to India though he spoke of the generally beneficial aspects of caste Gandhi s writings on caste reflect contradictory views and his critics accuse him of neglecting the unequal socio economic structure that relegated Dalits to the bottom of the caste hierarchy So did Gandhi endorse the fourfold division of the Indian society or was he truly against caste In this book Nishikant Kolge investigates the entire range of what Gandhi said or wrote about caste divisions over a period of more than three decades from his return to India in 1915 to his death in 1948 Interestingly Kolge also maps Gandhi s own statements that undermined his stance against the caste system These writings uncover the strategist Gandhi who understood that social transformation had to be a slow process for the conservative but powerful section of Hindus who were not yet ready for radical reforms Seven decades after it attained freedom from colonial powers caste continues to influence the socio political dynamics of India And Gandhi against caste the battle is not over yet B. R. Ambedkar Shashi Tharoor,2023-05-02 A household name throughout India B R Ambedkar is one of the country s most important figures second only to Mahatma Gandhi He played a major role in drafting the constitution for a newly independent India and led the fight against caste based discrimination Ambedkar was born into a Dalit caste the so called untouchables but his academic brilliance saw him study at Columbia University and London School of Economics As a politician he fought to overturn centuries of discrimination and promoted liberal constitutionalism in a traditionally illiberal society He did more than anyone to articulate a cogent and enduring case for the principles of democracy in a country emerging from imperial rule This book is also a reminder of how far the practice of politics has strayed from the high standards Ambedkar set of intellectual distinction policy positions animated by serious scholarship the infusion of moral

values and the upholding of democracy for the many not just the privileged few      **The East & the West** ,1925

Education and Gendered Citizenship in Pakistan M. Naseem,2010-12-14 This book challenges the uncritical use of the long held dictum of the development discourse that education empowers women Situated in the post structuralist feminist position it argues that in its current state the educational discourse in Pakistan actually disempowers women      Christian Advocate ,1929      **Seminar** ,2006      **Re-reading Ambedkar** Thomas Mathew,2007      **Indica** ,2001      **Religionen im Konflikt** Basileios Makridēs,Jörg Rüpke,2005      **Up Against Caste** Debi Chatterjee,2004 The Book Primarily Deals With A Comparative Study Of The Movements And Ideas Of Ambedkar And Periyar Analysis The Relevance Of Their Struggles In The Context Of Contemporary Conditions And The Trends In Post Ambedkar And Post Periyar Dalit Struggles Has 6 Portions Background Social Movements Political Struggles On Economics Interface With Religion And Finaly Conclusions Has Appendices      *A Cultural Hermeneusis on Caste Culture, Its Discontents and Politics of Culture* Joseph Chittooparampil,2005 In Indian context      Debrahmanising History Braj Ranjan Mani,2005 Debrahmanising History Is A Sweeping And Radical Survey Of The Major Dalit Bahujan Intellectuals And Movements Over 2500 Years Of Indian History From Buddha To Ambedkar
