Gods Lost Cause:

God's Lost Cause Jean Russell, 1968 *God and General Longstreet* Thomas Lawrence Connelly, Barbara L. Bellows, 1995-03-01 More than a century after Appomattox the Civil War and the idea of the Lost Cause remain at the center of the southern mind God and General Longstreet traces the persistence and the transformation of the Lost Cause from the first generation of former Confederates to more recent times when the Lost Cause has continued to endure in the commitment of southerners to their regional culture Southern writers from the Confederate period through the southern renaissance and into the 1970s fostered the Lost Cause creating an image of the South that was at once romantic and tragic By examining the work of these writers Thomas Connelly and Barbara Bellows explain why the nation embraced this image and outline the evolution of the Lost Cause mentality from its origins in the South's surrender to its role in a century-long national expression of defeat that extended from 1865 through the Vietnam War As Connelly and Bellows demonstrate the Lost Cause was a realization of mortality in an American world striving for perfection an admission of failure juxtaposed against a national faith in success

All According to God's Plan Alan Scot Willis, 2005-12-01 Southern Baptists had long considered themselves a missionary people but when after World War II they embarked on a dramatic expansion of missionary efforts they confronted headlong the problem of racism Believing that racism hindered their evangelical efforts the Convention's full-time missionaries and mission board leaders attacked racism as unchristian thus finding themselves at odds with the pervasive racist and segregationist ideologies that dominated the South This progressive view of race stressed the biblical unity of humanity encompassing all races and transcending specific ethnic divisions In All According to God's Plan Alan Scot Willis explores these beliefs and the chasm they created within the Convention He shows how in the post World War II era the most respected members of the Southern Baptists Convention publicly challenged the most dearly held ideologies of the white South
