Witness Lee

Gods New Testament Economy:

God's New Testament Economy Witness Lee, God's New Testament Economy is a thorough study of the New Testament. It does not provide superficial inspiration nor is it a dry systematic analysis. However, in this book, Witness Lee presents a revelation of the Triune God's plan that will both inform and encourage the reader to pursue a full experience of our wonderful Triune God. *God's New Testament Economy* Witness Lee, 1986. **The Mysteries in God's New Testament Economy** Witness Lee, 1990-06. **The Economy of God and the Building Up of the Body of Christ** Witness Lee, 1989.

The Crucial Contents of God's New Testament Ministry Witness Lee, 1997. *Crucial Elements of God's Economy* Witness Lee, 2006-04-01. In this book, we have seen a number of crucial matters. First, we need to spend time in the Word every day for the word in the Bible embodies God, Christ, the Spirit, and life. The word and the Spirit are composed of Christ, His terminating death, and His enlivening resurrection. Every portion in the Bible is either the word of the cross or the word of life. We also need to see that the Lord's recovery is simply the recovery of Christ Himself as everything to us. If we see this, we will drop all concepts, ways, activities, and organization and simply cleave to Christ in everything. Furthermore, we need to realize that God's economy is God coming into us and that godliness is God flowing out of us. If we see and practice these things, we will live under the law of freedom. We need to review all these matters, fellowship concerning them, and practice them until they are wrought into our being. Then the church will be uplifted and enriched and will grow unto maturity. **The Economy and Dispensing of God** Witness Lee, 1990-11-01. The goal of God's economy is a corporate expression. God created man according to His image and after His likeness so that He might put Himself into man and be man's life. Gen 1:26 that man might become one with Him and express and represent Him. In Genesis, God gained one man, Jacob. After being dealt with and transformed by the Lord, Jacob became God's Israel. By the end of Exodus, God had gained the descendants of Jacob as the nation of Israel and the tabernacle was erected to be God's moving habitation on earth for the expression of His glory. At the end of the Old Testament, there was a temple as God's habitation on earth for the expression of His glory. In the New Testament, the Lord Jesus, who is God Himself, came as a man to be God's tabernacle on earth so that God might dwell on earth and express Himself. John 1:14-18. The Lord Jesus passed through death and resurrection to become the life-giving Spirit in order to enter into His believers. 20-22. This expanded tabernacle is now God's habitation on earth for His full expression. This is what God desires, and this is the goal of God's salvation. He regenerates us, transforms us, makes us spiritual, and causes us to be seeking for this purpose. We are not saved, regenerated, transformed, spiritual, or seeking for ourselves. Rather, we become such in order to be delivered from the natural life and the self so that we can be built up with all the saints into the reality of God's habitation. This is the goal of God's economy and His dispensing. The Economy of God and the Mystery of the Transmission of the Divine Trinity Witness Lee, 2001-08-01. The first three chapters of this book give a general discussion of four great matters in the Bible: the economy of God, the dispensing of God, the union of God with His

believers and the corporate expression of God The subsequent chapters go on to explain the profound truths and the experience of life related to these four great matters according to the book of Ephesians the Gospel of John and the Gospel of Matthew Following this the book proceeds to offer guidance to all those who have a heart to serve the Lord full time concerning the building up of themselves in the matters of life truth character learning languages knowing the church living a healthy life and managing personal finances as living witnesses of the Lord so that they may become useful vessels in the Lord s hands
