widely regarded as Nikolai Gogol's masterpiece a darkly comic novel that offers a sweeping satire of 19th century Russian society its landowners and its bureaucratic system The novel follows the cunning and ambitious Pavel Ivanovich Chichikov as he travels through the Russian countryside attempting to buy dead souls deceased serfs who are still listed on the census as part of a scheme to get rich quick His plan is to then mortgage these non-existent serfs to the government as if they were alive thereby acquiring wealth and social standing Chichikov's journey leads him to encounter a gallery of unforgettable and often grotesque characters each representing different facets of Russian society from the empty-headed sentimentalism of Manilov to the avarice and decay of Plushkin Through these vividly drawn and often grotesque figures Gogol offers a scathing commentary on the moral and social landscape of 19th century Russia exposing the superficiality corruption and spiritual bankruptcy that he perceived within its society The novel's title itself is a double entendre referring not only to the deceased serfs but also to the spiritually dead state of the characters Though Gogol intended the novel to be the first part of a larger epic it remains an unfinished masterpiece celebrated for its satirical brilliance its vivid characterizations and its profound insights into the human condition and the state of Russia in the 19th century The novel's innovative narrative style and its blend of humor and social critique have secured its place as a cornerstone of Russian literature This modern edition features a contemporary translation from the original Russian manuscript making his surrealist and existential literature accessible to readers and enhanced by an illuminating afterword that focuses on Gogol's relationship with Dostoevsky Tolstoy and Turgenev and his influence of Kafka and other surrealist absurdist writers a concise biography including his Ukrainian heritage and a detailed chronology of his life and major works This robust reader's edition introduces readers to the brilliance of Gogol's literature and the context in which he wrote

Author's Confession Nikolai Gogol, 2024-05-09

Author s Confession is a significant autobiographical article written by Nikolai Gogol in 1847 primarily in response to the devastating criticism leveled against his controversial work *Selected Passages from Correspondence with Friends* This piece serves as both a memoir and an exploration of Gogol s philosophical and spiritual ideas offering a unique insight into the author s thoughts on morality free will and his understanding of God In it Gogol reflects on his creative journey and attempts to clarify his intentions behind *Selected Passages* which had been accused of betraying his earlier satirical spirit and advocating for the autocratic regime He grapples with the negative reception of his later work and delves into his evolving religious beliefs which had become increasingly central to his life and writing Written during Gogol s self imposed exile in Europe this introspective essay attempts to justify his literary oeuvre as a flawed but sincere pursuit of moral edification Framing his art as a divine instrument Gogol repudiates his earlier satires including *Dead Souls* as misguided attempts to heal Russia s spiritual malaise through ridicule The text s defensive tone part apology part manifesto reveals a mind torn between artistic pride and ascetic guilt yearning for public absolution yet distrusting his own motives Unlike Tolstoy s *Confession* which narrates a linear journey from nihilism to faith Gogol s account is circular self contradictory reflecting his inability to reconcile creation with redemption Critics often dismiss the essay as a product of his declining mental health yet its raw vulnerability offers a key to his later works didacticism The *Confession* s failure to achieve clarity its prose as fragmented as his burned manuscripts stands as a poignant coda to a career haunted by the impossibility of unifying art and morality Here Gogol engages in a direct dialogue with his readers seeking to explain his artistic and spiritual evolution and to address the criticisms leveled against him He reflects on his past works including *Dead Souls* and attempts to reconcile his satirical inclinations with his growing religious convictions The article provides valuable insights into Gogol s inner struggles his complex relationship with his audience and his evolving understanding of his role as a writer in Russia It reveals his deep concern with moral and spiritual matters and his desire to use his writing for a higher purpose even if it meant facing misunderstanding and condemnation from his contemporaries The work offers a poignant look into the mind of a literary giant grappling with his own legacy and the changing social and intellectual landscape of his time This modern edition features a contemporary translation from the original Russian manuscript making his surrealist and existential literature

accessible to readers and enhanced by an illuminating afterword that focuses on Gogol's relationship with Dostoevsky, Tolstoy and Turgenev and his influence of Kafka and other surrealist absurdist writers; a concise biography including his Ukrainian heritage and a detailed chronology of his life and major works. Gogol's Afterlife Stephen Moeller-Sally, 2002-12-26

The evolution of Russian authorship as exemplified by Gogol's social and aesthetic reception from 1829 to 1952. Nikolai Gogol's claim to the title of national literary classic is incontestable. Since his lifetime, every generation of Russian writers and readers has had to come to terms somehow with his ingeniously suggestive and comically virtuosic art. An exemplar for popular audiences no less than for the intelligentsia, Gogol was pressed into service under the tsarist and Soviet regimes for causes both aesthetic and political, official and unofficial. In Gogol's Afterlife, Stephen Moeller Sally explores how he achieved this peculiar brand of cultural authority and later maintained it despite dramatic shifts in the organization of Russian literature and society. Beginning with Gogol's debut and extending well into the twentieth century, this elegantly written and meticulously researched work offers nothing short of a sociology of modern Russian literature. Together with the history of Gogol's social and aesthetic reception, it describes the institutional evolution of Russian literature and the changing relationship of the Russian writer to nation, state and society. Moeller Sally puts a wealth of historical material under a finely calibrated critical lens to show how the rise of the reading public in nineteenth-century Russia prepared the ground for a popular nationalism centered around the literary classics. Part I charts the historical and cultural currents that shaped Gogol's reputation among the educated classes of late Imperial Russia, devoting particular attention to the models of authorship Gogol himself devised in response to his changing audience and developing authorial mission. Part II takes a panoramic view of the social milieu in which Gogol's status evolved, describing the intelligentsia's efforts to propagate his life and works among the newly literate populations of post-Reform Russia.

Ivan Fedorovich Shponka and his Aunt Nikolai Gogol, 2024-05-09
This unfinished story from Mirgorod signals Gogol's shift from folklore to social satire. The titular Ivan, a meek landowner, is manipulated by his domineering aunt into marrying her choice of bride, a prospect he approaches with comical passivity. Gogol's deadpan prose exposes the banality of provincial life, where trivial disputes and petty ambitions consume characters devoid of inner depth. The narrative's abrupt ending, mid-sentence, heightens its absurdist critique, suggesting the futility of seeking resolution in a

world devoid of meaning While lacking the psychological complexity of Tolstoy's *Anna Karenina* its focus on societal triviality prefigures Chekhov's stories of existential stagnation Shponka's haplessness mirrors the bureaucratic inertia Gogol would later skewer in *The Overcoat* cementing his reputation as a chronicler of modern ennui The tale's abrupt conclusion with a surreal dream sequence followed by the narrator's claim to have lost the manuscript's ending represents one of Russian literature's earliest experiments with deliberate narrative incompleteness a technique that would later be deployed with different aims by Dostoevsky in works like *The Double* Literary scholars have identified this text as marking Gogol's transition toward the literary territory he would fully develop in *Dead Souls* the absurdist comedy of Russian provincial life where even the most mundane existence contains surreal elements when observed with sufficient attention While lacking the overt social criticism that would characterize the naturalist works of writers like Chekhov *Shponka* nevertheless establishes an important precedent in Russian literature's examination of little men whose unremarkable lives become worthy of literary attention precisely because of their typicality rather than their exceptionality

Ivan Fedorovich Shponka and His Aunt offers a glimpse into the life of a young man named Ivan Shponka a character portrayed as meticulous and somewhat simple minded whose life is meticulously detailed from his school days to his military service and eventual return to his aunt's estate As a child Ivan was known for his exceptional neatness and diligence even being appointed as a class monitor traits that earned him the favor of a strict teacher After completing his education he enters the military where his timidity and preference for solitude set him apart from his more boisterous comrades leading him to spend his time polishing buttons and engaging in quiet pursuits Upon the death of his mother Ivan receives a letter from his aunt his mother's sister urging him to return home to manage his inherited farm in the town of Gadyach During his journey he encounters a portly landowner named Grigory Grigorivich who claims to be a neighbor and invites Ivan to visit setting the stage for potential conflicts over land ownership Arriving at his aunt's estate Ivan finds her to be a robust and somewhat masculine figure who exerts a strong influence over the household He learns that a significant portion of land rightfully belonging to him is being occupied by his neighbor Grigory Grigorivich leading to an awkward confrontation and the introduction of Grigory's daughters Ivan's aunt becomes fixated on the idea of him marrying one of the daughters causing Ivan considerable anxiety and culminating in a bizarre and unsettling nightmare about marriage The story abruptly ends with a mention of a next chapter that never materializes leaving the reader with a sense of incompleteness and prompting speculation about Gogol's intentions This unfinished tale while seemingly simple offers a glimpse into Gogol's developing style and his exploration of themes such as social anxieties the fear of commitment and the peculiarities of human relationships in provincial Russia This modern edition features a contemporary translation from the original Russian manuscript making his surrealist and existential literature accessible to readers and enhanced by an illuminating afterword that focuses on Gogol's relationship with Dostoevsky Tolstoy and Turgenev and his influence of Kafka and other surrealist absurdist writers a concise biography including his Ukrainian heritage and a

The Lost Letter Nikolai Gogol, 2024-05-09 In this comic yet eerie tale from *Evenings on a Farm Near Dikanka* a Cossack named Foma journeys to deliver a letter to the Tsarina only to have it stolen by devils during a drunken stupor His quest to recover it plunges him into a phantasmagoric underworld where witches and demons mock human pretensions Gogol subverts the folkloric hero's journey portraying Foma as a bumbling everyman whose incompetence mirrors societal decay The narrative's abrupt shifts from slapstick to surreal horror critique imperial bureaucracy's inefficacy a theme later expanded in works like *The Government Inspector* While lacking Tolstoy's sweeping historical scope Gogol's focus on petty failures as microcosms of systemic dysfunction reveals a sardonic worldview where authority is perpetually undermined by human frailty

Appearing in Gogol's first collection *Evenings on a Farm Near Dikanka* this work exemplifies his early engagement with Ukrainian folklore through a tale narrated by the beekeeper Rudy Panko Centered on a Cossack's desperate quest to recover a lost letter addressed to Catherine the Great the narrative veers into the fantastical as the protagonist encounters witches and demons at a gathering reminiscent of *Walpurgis Night* Gogol's text operates through a double ethnographic lens the educated author representing a folklorist narrator who himself represents Ukrainian oral tradition creating layers of narrative distance that simultaneously authenticate and ironize the supernatural elements This early work establishes Gogol's distinctive narrative voice one that slides between credulity and skepticism regarding supernatural events while demonstrating his linguistic virtuosity in rendering Ukrainian dialect within Russian literary language

Literary historians note how this technique influenced subsequent Russian writers' approaches to regional speech patterns particularly evident in Leskov's *skaz* narration Though lacking the psychological complexity of Gogol's Petersburg tales *The Lost Letter* reveals his fundamental interest in liminal spaces where rational and irrational forces converge a thematic concern that would later manifest in Dostoevsky's exploration of psychological boundaries and Tolstoy's examination of spiritual crises albeit through radically different narrative strategies that abandoned Gogol's carnivalesque elements in favor of psychological or philosophical depth

[The Humour of Vladimir Nabokov](#) Paul Benedict Grant, 2024-09-30. The first in-depth study of Vladimir Nabokov's humour, investigating its physical aspects such as farce, slapstick, sexual, and scatological humour. Offers the first in-depth study of Nabokov's humour. Presents a revisionist reading of Nabokov. Examines the metaphysical aspects of Nabokov's humour. Examines the sexual and scatological aspects of Nabokov's humour. Applies humour theory, e.g. those of Hobbes, Bergson, Freud, to Nabokov's texts. Compares Nabokov's humour to that of his Russian predecessors, e.g. Pushkin, Gogol, Chekhov, and to literary humourists such as Rabelais, Swift, Joyce. Many critics classify Vladimir Nabokov as a highbrow humourist, a refined wordsmith, overly fond of playful puzzles and private in-jokes, whose art appeals primarily to an intellectually sophisticated readership. This study presents a more balanced portrait, placing equal emphasis on the broader, earthier humour that is such a marked feature of Nabokov's writing, which draws on the human body and all things physical for its laughs, sex, and scatology, farce, and slapstick. Moving between the metaphysical and the physical, the cosmic and the comic, mind and matter, it presents Nabokov as a writer at home in both high and low forms of humour, a comedian who is capable of producing as many belly laughs as brainteasers, and of appealing to a much wider readership than is commonly supposed.

Old World Landowners Nikolai Gogol, 2024-05-09. In this elegiac story from *Mirgorod*, Gogol depicts an elderly couple, Afanasy and Pulkheria, whose idyllic rural existence revolves around meals and mundane routines until Afanasy's death unravels their fragile harmony. The narrative's slow, deliberate pace mirrors the protagonists' resistance to change, framing their simplicity as both endearing and pathological. Gogol's ambivalence, nostalgia for vanishing traditions, clashing with awareness of their emptiness, prefigures Chekhov's portraits of decaying gentry. While devoid of Tolstoy's spiritual urgency, the story's quiet tragedy lies in its recognition that habit, however comforting, cannot stave off mortality. The couple's static world, meticulously preserved yet inherently fragile, becomes a microcosm of a society clinging to outmoded ideals, a theme Gogol would later

amplify in *Dead Souls* Old World Landowners the first story in Gogol's Mirgorod collection presents a tender and somewhat melancholic portrayal of an elderly Ukrainian couple Afanasiy Ivanovich Tovstogub and his wife Pulkheriya Ivanovna Tovstogubikha who live a secluded and idyllic life on their rural estate Their existence is characterized by a comforting routine surrounded by the tranquility of their gardens and the gentle rhythm of domestic life with a particular emphasis on their frequent and elaborate meals The narrator fondly details the peculiarities of their household such as the singing doors that seem to echo the predictable harmony of their isolated world Pulkheriya Ivanovna manages the estate and the servants who despite their open pilfering do not seem to diminish the abundance of the land which provides generously for the loving couple Their days are filled with simple pleasures primarily the preparation and consumption of food with meticulous descriptions of their various dishes and snacks and the warm hospitality they extend to visitors The peaceful rhythm of their lives is subtly disrupted when Pulkheriya Ivanovna's cat disappears and later returns briefly in a feral state an event she interprets as an omen of her impending death Following this premonition she quietly makes arrangements for her husband's care after she is gone and within a few days she passes away Afanasiy Ivanovich's grief is profound and childlike leading to a visible decline in his health and the gradual decay of their beloved estate The narrator reflects on the power of habit over passion as Afanasiy a man of simple routines is utterly lost without his wife Not long after Pulkheriya's death Afanasiy believes he hears her calling his name in the garden and soon follows her leaving the estate to fall into disrepair symbolizing the passage of time and the fading of a gentler old world existence Gogol's story offers a nostalgic yet subtly ironic portrayal of a disappearing way of life exploring themes of love loss the simplicity of rural existence and the relentless march of time This modern edition features a contemporary translation from the original Russian manuscript making his surrealist and existential literature accessible to readers and enhanced by an illuminating afterword that focuses on Gogol's relationship with Dostevsky Tolstoy and Turgenev and his influence of Kafka and other surrealist absurdist writers a concise biography including his Ukrainian heritage and a detailed chronology of his life and major works This robust reader's edition introduces readers to the brilliance of Gogol's literature and the context in which he wrote
