**It'S Tough to Be a Man in God'S Economy** Dennis Wechter,2014-12-23 I understand that it is indeed tough to be a man in God s economy but we are called to be leaders and to walk in Christ s footprints Our society has a difficult time placing man in a satisfactory role that would complement the Madison Avenue advertising group or the image makers of Hollywood They have decided the roles of leader head of household faithful husband and father and moral compass don t seem to fit anymore This thinking is totally unacceptable and should raise flags of discontent in every Christian household As a group in today s world men need to take back the responsibilities that they have either given away or have had stolen from them and collectively become the men that Jesus spoke about in his word There is no excuse for behavior that is not pleasing to God and therefore not profitable to any man Do not let your earthly condition dictate your spiritual position

*Finding God's Playbook For Your Life* Christine D Long, 2021-06-02 Do you ever feel like your life is going through the motion with no direction what if you could get a glimpse into God's playbook for your life Let me take you on a journey of God's faithfulness in my life and may you be inspired to discover God's playbook for your life Written By Christine D Long Edited By Lydia Mays Monifa Merriweather Prayers By Jacqueline Long Go Deep Eric Chaffin, 2011-08-23 It's the fourth quarter with ticks left on life's game clock On fourth down with the goal in sight God does not want his people to punt He wants them to Go Deep Go Deep Gridiron Reflections On God's Playbook provides instruction for the life God desires for us in the language that coaches athletes and fans speak fluently the language of sport Author Eric Chaffin draws football lovers deeply into the scriptures by using compelling examples from the world of the gridiron inviting you to Go Deep with the ultimate coach God Like its predecessor Everything I Know About God I Learned From Football this sequel Go Deep Gridiron Reflections On God's Playbook is not a simple devotional book but a valuable tool for either personal or group Bible study Each chapter of Go Deep contains a 10-12 minute daily reading Each reading begins with a pre game section including the playbook which is the focal scripture text for that unit It is followed by the game plan an introductory sports story that sets the stage for the day's reading The end of the chapter brings the post game section which serves to personalize the material for the reader This section includes the red zone a set of questions designed either for personal introspection or for group discussion The post game is capped off by a sample prayer called the post game kneel which will assist the reader in making a more intimate connection with God As definitively as the gridirons define a football field these daily readings clearly impart scriptural truths coupled with practical real life applications for the reader to ponder and enjoy Gleaned from two decades of experience as either a motivational speaker an arena football chaplain or as a pastor the 25 chapters in Eric Chaffin's book deal both capably and colorfully with concepts like using personal time outs for spiritual renewal men making wives their franchise players learning to walk in victory by overcoming the enemy taking a stand for the things that truly matter seeing the value of every team member and much more Go Deep concludes with an invitation to commit to a relationship with the One who's really calling the plays God Go Deep Gridiron Reflections On God's Playbook invites the reader to come share learn and enjoy regardless of whether he or she is a believer in Christ It is a personal journey of spiritual growth for the Jesus follower and it serves as an introduction to matters of faith to those who do not yet know Him Both are sports fans who are drawn to the common ground their love of football creates **To Die For** Ryan Dobson, 2004 Abundant life can be yours But in order to live you first have to die Matthew 16:25 The fact is if you have

nothing worth dying for you have nothing worth living for You may never have to make the ultimate sacrifice but you are called to daily give up something of this earthly existence to pursue the amazing life Jesus promises to His followers In *To Die For* Ryan Dobson shatters common misconceptions about dying to self spelling out the realities of the deadly spiritual battle each of us faces He provides clear guidelines for making life and death choices daily and deals with how to overcome the emotional struggles that accompany both failure and success *The End of Life as You Know It Is the Beginning of Life as You Need It* Why do I feel so dead when God promised me life You had such expectations Such hopes Such plans But life isn't working out the way you thought it would Jesus answers the void with abundant LIFE But to get it you have to die die to self and the quick fixes of this world Fact is if you have nothing worth dying for you have nothing really worth living for In *To Die For* Ryan Dobson passionately demonstrates what it means to die to self We may never face a physical death for our faith but we're called to daily deny ourselves doses of this earthly existence And to pursue the amazing LIFE Jesus promises Don't settle for average Get a LIFE It's to die for *Story Behind the Book* One of the main reasons I wrote this book is because I see people today as bored we are bored with life There's nothing that's truly worth dying for which means there's nothing worth living for either I see people just filling their lives with diversions running from one thing to the next I want to give people the adventure that God has given me I have truly found something in my life worth fighting for and worth dying for I am willing to fight and if necessary die for my faith in Christ It has not made my life a downer but has filled my life with adventure

**God's Coach** Skip Bayless, 1990 Who is Tom Landry The great football coach whose tireless efforts on behalf of Christian causes led Billy Graham to hail him as like a John the Baptist to me Or the distant befuddled figure who would send in goal line plays at midfield blame others whenever his team lost and whose players called him steely cold blooded and a liar God s Coach is a scathing look at the football franchise that dared to all itself America s Team and the coach whose Christian charity extended to strangers everywhere but rarely spoke to the players who labored under him Skip Bayless the controversial columnist for the Dallas Times Herald strips away the image created by the most powerful PR machine in sports and takes a sharp clear eyed look at the men behind it Why was this coach and celebrated motivational speaker wholly unable to motivate his team Why did a man so dedicated to spreading the word of God s love have to rule through fear Skip Bayless deflates the myths and punctures the self importance in which the Cowboys

wrapped themselves for nearly thirty years We see the team president who ruled like an owner despite controlling only 3 percent of the team the Draftmaster who according to his chief scout did not study film and never learned the details of the game the star quarterback who never said a word against his coach publicly but who changed Landry s call on virtually every important play during his career Bayless shares with us the words and views of insiders who are finally willing to break their silence including former players front office personnel assistant coaches and the men who owned the team He paints an unforgettable portrait of a man reveling in his image as God s chosen football coach but also trapped by it unwilling to confess error or share responsibility unable to change or adapt to change either in his team s personnel or in the game itself He shows us the Landry who reserved his highest praise for those who played despite injuries leading players to take dangerous painkillers before games who seemed oblivious to the shady dealing and immoral and illegal escapades of those all around him and who devoted large chunks of his time to speaking before Christian groups but far less to coaching and planning than NFL coaches And in the final spectacular irony Bayless shows how Jerry Jones s solution to what even Tex Schramm recognized as the Landry problem freed Landry to become his image to be God s Coach without burden of actually coaching As entertaining as it is revealing as thoughtful as it is though provoking God Coach is compelling reading a stunning experience for anyone who embraced the myths of The Man in the Hat From jacket flap **Strong Reproofs for a Scandalous Church** Charles R. Swindoll,1988 Ancient Corinth wealthy busy intellectual sensual godless A good place for a church But what happens when the bright light of Christ s gospel is darkened by believers who succumb to the world system around them This is what happened to the church at Corinth Back cover A WHOLE NEW BALL GAME STEVE SLOAN, *Bottom of the 9th* Elliot Johnson,2000-07 Containing wisdom as ancient as God s playbook the Bible and as up to date as today s sports section One article a day will encourage and enlighten players and fans This book will help both gain a better understanding of the Bible
