Goethe Reviewed After Sixty Years:

Goethe Reviewed After Sixty Years John Robert Seeley, 2019-06-28 **Goethe** John Robert Seeley, 1894 **Goethe Reviewed After Sixty Years** Sir John Robert Seeley, 1894 **Goethe Reviewed After Sixty Years** Seeley, 1894 **Goethe Reviewed After Sixty Years (Classic Reprint)** J. R. Seeley, 2018-03-05

Excerpt from *Goethe Reviewed After Sixty Years* I published three papers on Goethe in the *Contemporary Review* for 1884 These are now with the kind consent of the Editor reprinted They have been carefully revised throughout have received large alterations and especially in the latter part considerable additions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Goethe John Robert Seeley, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work

Goethe Reviewed After Sixty Years J. Seeley, 2018-04-26 IT is not well Professor Seeley remarks in the preface to his *Goethe Reviewed after Sixty Years* to bury a great and delightful post under a weight of commentary Perhaps considering the unceasing labors of German critics towards this end it were superfluous in an English critic addressing English readers to add to the intolerable burden after sixty years There is really more need of excavating than of burying Accordingly Professor Seeley's little book on Goethe is designed for the practical guidance as a key or companion to the English student There is always some more or less reasonable ground for suspecting that when a writer has become in any sense a classic and is inordinately written about of and round about he has ceased to be read or at least is no longer a vitalizing force and intellectual influence If we hearken to the voices of German critics of to day Goethe's fame was never more assured nor higher than now Hermann Grimm for instance regards Goethe as the greatest poet of all ages and of all nations Professor Seeley is content to ask in this connection Why rank him with Shakespeare If Goethe is not one of the greatest of dramatic poets it is clear that the German critic is more patriotic than critical Faust may fairly be ranked among the Shakespearian dramas as Professor Seeley puts it but what of other works of Goethe of the first order There is Hermann and Dorothea very pretty and perfect There are Iphigenie very noble Tasso very refined G I z very spirited Egmont somewhat disappointing while the other plays are unimportant when not like Stella extravagant Then Professor Seeley remarks The pathos of Werther is almost as obsolete as that of Richardson by which it would seem that he is confusing spirit and letter Richardson's style or

manner and Richardson's pathos Thanks to the human heart by which we live the pathos of Clarissa Harlowe can never be obsolete From such generalities the author proceeds to the work in hand and it must be owned that there is much in his companion for the English student of Goethe that is suggestive and valuable He lays great stress on the true significance of Goethe's strenuous endeavours for self culture and on a right understanding of the various literary periods or phases of his intellectual development He would correct the habit common to English readers of regarding Goethe simply as a dramatic poet and the author of the First Part of Faust Throughout his discriminating exposition of Goethe's literary phases he illustrates the truth of Byron's observation that Goethe created the literature of his country In his excellent analysis of Wilhelm Meister as in other portions of his discourse Professor Seeley shows to what extent the poet was inspired by the criticism of life rather than the creative imagination and from other points of view treats his complex subject in a well tempered spirit *The Saturday Review* Vol 77 *Goethe Reviewed After Sixty Years* J. R. Seeley, 2019-02-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Goethe, Reviewed After Sixty Years;** John Robert Seeley, 2016-05-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Goethe, Reviewed After Sixty Years* Caty Cassinelli, Sir John Robert Seeley, 1894 **The Saturday Review of Politics, Literature, Science and Art**, 1894 **The Saturday Review of Politics, Literature, Science, Art,**
