Final Solution:

The Origins of the Final Solution Christopher R. Browning, 2007-05-01 This groundbreaking work is the most detailed carefully researched and comprehensive analysis of the evolution of Nazi policy from the persecution and ethnic cleansing of Jews in 1939 to the Final Solution of the Holocaust in 1942

Hitler and the Final Solution Gerald Fleming, 1987-02-11 Pp vii xxxiii contain Friedl nder s introduction which did not appear in the original German edition

The Holocaust and History United States Holocaust Memorial Museum, 2002-07-02 The Holocaust and History examines the various disputes surrounding the Holocaust examining why it should have come about how different sets of people reacted to it and what lessons should be learned for the future

Holocaust Omer Bartov, 2000 Presenting a critical study of the Holocaust with a summary of the state of the field this book contains major reinterpretations by Holocaust authors along with key texts on testimony memory and justice after the catastrophe

Ostkrieg Stephen G. Fritz, 2011-10-14 On June 22 1941 Germany launched the greatest land assault in history on the Soviet Union an attack that Adolf Hitler deemed crucial to ensure German economic and political survival As the key theater of the war for the Germans the eastern front consumed enormous levels of resources and accounted for 75 percent of all German casualties Despite the significance of this campaign to Germany and to the war as a whole few English language publications of the last thirty five years have addressed these pivotal events In *Ostkrieg Hitler s War of Extermination in the East* Stephen G Fritz bridges the gap in scholarship by incorporating historical research from the last several decades into an accessible comprehensive and coherent narrative His analysis of the Russo German War from a German perspective covers all aspects of the eastern front demonstrating the interrelation of military events economic policy resource exploitation and racial policy that first motivated the invasion This in depth account challenges accepted notions about World War II and promotes greater understanding of a topic that has been neglected by historians
