When we board a modern twenty first century aircraft we are all confident of hopefully a smooth flight and delivery to our destination of choice This was not the case of Malaysia Airlines Flight no MH 370 It never landed at its destination nor any other airport This chronology of the facts of its final flight is written to help soothe the nerves of the international flying public Because MH 370 vanished mysteriously its story was written beginning as an unsolved mystery disappearance Later when arriving at the conclusion of a tale of a mysteriously missing aircraft with 239 souls aboard I realized I had composed a history of the facts and human stories chronicled within the saga of The Mysterious Final Flight of MH 370 Therefore the inclusion of the safety of today s human flight is annotated but also the future of human air flight safety by describing new safety measures designed to replace outdated twentieth century black box invention with twenty first century digitized data recording innovative technologies Cost seems to be the inhibition of installing then implementing the now preexisting twenty first century technologies on all aircraft worldwide hopefully sooner rather than later The good news is the United States Air Force has it already implemented and utilized daily today One day MH 370 may be located certainly providing solace and closure for the 239 families missing their loved ones who comprised the flight manifest of the 239 missing souls aboard MH 370 Plus both black boxes may provide answers to what transpired during The Mysterious Final Flight of MH 370 Additionally it is said and felt Hope springs daily living eternally

**EMOTIONAL WISDOM** BRIJESH KUMAR ALORIA, 2026-01-07 Every human being carries within them an emotional world that they often hide from others and sometimes even from themselves These are the places where fears are born where insecurities take shape where wounds remain buried and where the soul gradually becomes heavy but there deep within lies a light that has the potential to lead a person to their true nature Emotional Wisdom is a search for that light This book is not based on any theory nor on any psychological framework it is based on the unspoken experiences that every person lives within themselves but cannot put into words This book is not written to take you out of your emotions but to take you deep into them and get to their root because emotions feel like a burden until we understand their language In this book you will embark on a journey where emotions become teachers peace becomes a habit not a practice the flow of energy becomes your guide and consciousness reminds you of your true nature This book is for you if you want to reach that place within you where decisions become clear emotions become light wounds are transformed and one learns to be at peace with oneself This is not just a book it is your first deep conversation with your own soul
