

An aerial, isometric view of a medieval fair. The scene is set in a lush green landscape with a dirt path leading to a fenced-in area. Inside the fence, there are several wooden stalls and tables. One stall on the left has a large pile of orange pumpkins. In the center, there's a table with a red cloth and some items. To the right, there's a wooden structure that looks like a cart or a small stage. The background shows more stalls and a large building with a thatched roof. The overall atmosphere is that of a busy, historical market.
