Faith Or Folly:

Faith and Folly Ya'akov Mosheh Hilel,1990 **Faith and Folly; a Sermon ...** Edward Stuart,1858 **Faith and Folly** John Vaughan,2020-11-05 GOD communicates with man in divers ways He speaks to him through his conscience and through the inspired pages of Holy Writ and with yet greater clearness and emphasis through the living voice of the Catholic Church which He founded on the Rock of Peter well nigh 2 000 years ago God speaks to man also by the lips of Science and Philosophy and through the visible creation which lies stretched out before him like an open book that Book of Nature which is ever proclaiming in its own impressive way the wondrous works of His hands By whatever channel He speak the voice is always one and the same for it is always the voice of the living God From this it is evident that there can never be the slightest real discord between the lessons taught Geology cannot be in contradiction with Scripture Science cannot oppose Revelation nor is it conceivable that the conclusions of Philosophy can ever be out of harmony with the Definitions of Divine Faith There may be and there often are apparent conflicts but they can never be anything more than apparent Indeed such conflicts are natural and inevitable and will continue while man remains what he is Man s imperfect knowledge his false interpretations his unwarranted conclusions his erroneous deductions his ill founded theories his mistaken judgments and even the very limitations of his mental vision must often occasion apparent contradiction and may even start interminable discussions and conflicts between the teaching of the Infallible Church and the utterances of human science But these differences are never real The preceding remarks will explain the title of the present little work We call it FAITH AND FOLLY because our chief purpose in publishing it is to strike a blow however feeble however unworthy and how ever ill directed in defense of the Faith and of the supernatural structure erected by Faith against attacks of modern infidelity and the assaults of the worldly wise The Author **Faith Harding's Folly** Nielen Publishing Company,1936 **Faith and Folly** Bp. The author of numerous previous books of broad appeal and scholarly acclaim on subjects ranging from sociological theory to religious ethics in government and economic systems and the coauthor of a vastly influential treatise on *The Social Construction of Reality* Berger unfolds in *Redeeming Laughter* a new perspective on a classic domain Berger's comic terrain is at once noble and amusing the terrain of Erasmus and Swift Like his predecessors Berger's writing in these pages is bolstered with exemplary learning and wry observation *Unitarian Principles Confirmed by Trinitarian Testimonies* John Wilson, 1890
