spiritual power is a powerful force in every Christian's life. *The Essentials of Prayer* is set forth to help in the journey along this path; may you find God along your path. *The Essentials of Prayer* Edward M. Bounds, 2006. E. M. Bounds' classics on prayer have been continuously in print for over 100 years. Prayer has to do with the entire man. Prayer takes in man in his whole being: mind, soul, and body. It takes the whole man to pray, and prayer affects the entire man in its gracious results. The whole man must be given to God in praying. God wants and must have all that there is in man in answering his prayers. He must have whole-hearted men through whom to work out His purposes and plans concerning men. God must have men in their entirety. No double-minded man need apply. No vacillating man can be used. No man with a divided allegiance to God and the world and self can do the praying that is needed. Holiness is wholeness, and so God wants holy men: men whole-hearted and true for His service and for the work of praying. These are the sort of men God wants for leaders of the hosts of Israel, and these are the kind out of which the praying class is formed. E. M. Bounds' subjects covered in this book: Prayer takes in the whole man; Prayer and humility; Prayer and devotion; Prayer Praise and Thanksgiving; Prayer and trouble; Prayer and God's work; Prayer and Consecration; Prayer and a definite religious standard; Prayer and compassion; Concerted prayer; The universality of prayer; Prayer and missions. *The Essentials of Effective Prayer* Kay Arthur, David Lawson, BJ

by Edward Mckendree (E. M.) Bounds E. M. Bounds, 2011-12-02. *The Essentials of Prayer* by E. M. Bounds focuses on the right attitudes for either individual or corporate prayer. Bounds holds that no person with a divided allegiance to God can pray as he or she ought. He discusses the importance of humility in prayer and also the fact that busy religious activity does not compensate for an empty prayer life. The connection between trouble and prayer and the fact that no sinner is barred from the mercy seat are also clearly explained. Bounds points out that the key to missionary success is prayer rather than the compromises on purity that some churches make in order to bring in more members. Another excellent title by Bounds: *The Essentials of Prayer* will help readers to understand much more on this important topic and approach it more seriously.
