**Group Care Practice with Children and Young People Revisited** Leon C. Fulcher, Frank Ainsworth, 2012-12-06 Find out how group care for children has changed in the last 20 years Group Care Practice with Children and Young People Revisited focuses on the core issues that shape the quality of care that is provided in institutional and residential care settings as well as day care services that rely on the group process Leading authorities on residential group care practice from around the world examine practice concepts centered on three broad themes working directly with children working indirectly to support children and their families and organizational influences on practice This unique book offers valuable insights for dealing with the daily challenges of working with young people in responsive group care Group Care Practice with Children and Young People Revisited builds on contemporary themes that were explored by the editors more than 20 years ago in Group Care for Children Concept and Issues and Group Care Practice with Children both out of print Contributors to this updated collection put a fresh spin on the original material as well as cross cultural analysis from both sides of the Atlantic Australia and New Zealand Malaysia China and the United Arab Emirates They revisit the key issues identified in the earlier books and provide personal and professional reflections on what has happened to their practice themes since the early 1980s Special attention is paid to how social policy imperatives normalization de institutionalization mainstreaming least restrictive environment minimal intervention and diversion have reshaped the field group care methods and skills needed for direct and indirect care and group care as an occupational Group Care Practice with Children and Young People Revisited examines and re examines the relationships between group care practice and education how group care programs can become hostile to families primary care in secondary settings the importance of shared language in a group care center group development how group composition can influence the overall functioning of the group managing occupational stresses in group care practice patterns of career development in child and youth care economic influences that impact group care challenges facing the future of group care services for children and much more Group Care Practice with Children and Young People Revisited is a must read for youth case workers child and youth care educators and anyone working in child welfare including youth justice managers administrators and policymakers Developmental Group Care of Children and Youth Jerome Beker, Henry W Maier, 2014-02-04 A recognized leader in the professional development of the child and youth care field presents in this single volume a collection of his work related to group care work with children and youth Henry Maier shares his observations about human development in the group care context the perceptions of children and youth the environments in which we work with them the role of the worker and the preparation of child and youth care workers Dr Maier's practical approaches reflect the most recent research and thinking in human development This book is a practical text for courses in the child and youth field as well as a useful handbook for child and youth caseworkers already on the job BACKCOVER COPY In what way can group care non familial living assure children a developmental progress similar

to that of children growing up within regular family care settings In his practical new text Henry Maier one of the most vibrant creative and humane figures in child and youth care work today answers that question for child care professionals using a developmental perspective in his approach to residential group care He focuses on the developmental requirements of children and adolescents in relation to the care they receive while they are in non familial group living situations and also highlights training for the caregivers in order that they can effectively provide the kind of caring involvement that children and youth require The real contribution of this book is that it cuts through the confusion of competing values and competing points of view to focus on the care at the heart of child care work attests Richard W Small PhD Executive Director of the Walker Home and School Needham Massachusetts from the Preface Professional Issues in Child and Youth Care Practice Kiaras Gharabaghi,2013-09-13 This book provides an overview of the core professional issues in the field of child and youth care practice The author explores themes ranging from relationships and the exploration of Self to career building and field specific approaches to management The book is written from a pragmatic perspective and serves both to advance current thinking in the field about professional issues as well as to provide the student of child and youth care practice and practitioners with practical and accessible approaches to developing a strong and sustainable professional identity All of the themes in this book are explored within a context of ethical decision making and practice approaches informed by a commitment to children s rights and empowerment Throughout the discussions concepts and themes are considered in relation to four specific lenses the power lens the diversity lens the language lens and the transitioning from theory to practice lens These lenses serve to ensure that the reader adopts a critical understanding of the professional issues in the field and is able to develop his or her own professional identity while mitigating the power and identity issues necessarily associated with being a practitioner in a helping profession This book was published as a special issue of Child and Youth Services **Group Care Practice with Children and Young People Revisited** Leon C. Fulcher, Frank Ainsworth, 2005

**Family Centred Group Care: Model Building** Frank Ainsworth, 2018-10-26 Published in 1997 this study focused on building and empirically validating a model of family centred group care This is an alternative to the traditional model of group child care that is primarily child centred and which reflects the notion of group care as a substitute for parental care The model represents a step forward in the conceptualization of group care practice as both child centred and family affirming The Family Centred Group Care instrument used in the study is unique in that this is the first to measure a model of group care empirically The book will be of interest to child welfare practitioners social workers child care workers and other human service personnel as well as managers of agencies that provide group care services for children and at risk youth Researchers and policy makers will also find this book useful as the study advances the application of empirical methodology to human service programs

Revitalizing Residential Care for Children and Youth James K. Whittaker, Lisa Holmes, Jorge Fernandez del Valle, Sigrid James, 2023 This volume addresses the question of how societies with developed welfare and social service systems are assessing current needs and future directions in their residential child and youth care sectors by providing case studies and analysis across sixteen different countries

Developmental Group Care of Children and Youth Henry William Maier, 1988-06 A recognized leader in the professional development of the child and youth care field presents in this single volume a collection of his work related to group care work with children and youth Henry Maier shares his observations about human development in the group care context the perceptions of children and youth the environments in which we work with them the role of the worker and the preparation of child and youth care workers Dr Maier's practical approaches reflect the most recent research and thinking in human development This book is a practical text for courses in the child and youth field as well as a useful handbook for child and youth caseworkers already on the job
