

The background of the cover is a soft, monochromatic landscape. In the upper portion, a range of mountains is visible, their peaks softened by a light mist. In the lower right quadrant, a single, tall acacia tree stands prominently, its branches reaching out against the hazy sky. The overall color palette is a range of muted, earthy tones from light beige to a darker, muted green, creating a serene and contemplative atmosphere.

STEPHEN LEVINE

Author of Healing into Life and Death

A GRADUAL
AWAKENING

Gradual Awakening

Steven T. Katz

Gradual Awakening:

A Gradual Awakening Stephen Levine, 2010-11-17 In this intelligent accessible work acclaimed poet and meditation teacher Stephen Levine introduces readers to meditation Filled with practical guidance and advice as well as extensive personal recollections A Gradual Awakening explains the value of meditation as a means of attaining awareness and provides readers with extensive advice on how establish a practice Drawing on his own personal experiences with and insights into vipassana meditation Levine has crafted an inspiring book for anyone interested in deep personal growth

Gradual Awakening Miles Neale, PsyD, 2018-09-18 Rediscover the Promise of Enlightenment As Western culture has embraced practices like meditation and yoga has something been lost in translation What we see in America today in both the yoga boom and mindfulness fad writes Dr Miles Neale is a presentation of technique alone sanitized and purged of the dynamic teachings in wisdom and ethics that are essential for true liberation For anyone seeking a path dedicated to both authentic personal growth and the overthrow of the nihilism hedonism and materialism that are threatening our planet this compelling teacher presents a well conceived sustainable solution with Gradual Awakening The core of this book is Tibetan Buddhism s gradual path or Lam Rim interpreted with fresh insights from modern scientific research Offering an illuminating new presentation of Tibet s deep psychology meditative techniques and virtuous rituals Dr Neale presents a time honored path of enormous transformational potential Each chapter serves as a practical manual that will allow you to experiment with and actualize the benefits of role modeling visualization affirmations contemplative themes textual recitation prayers altars offerings and meditation Here you ll explore Uprooting the sickness of paradigm why a complete spiritual practice must directly confront the fundamental human suffering caused by the modern ethos of scientific reductionism The Lam Rim path the history heritage and power of this 30 step hero s journey of awakening Evolutionary self care understanding the Buddhist concept of renunciation as a form of self love and healing Radical altruism awakening Bodhicitta our innate aspiration to evolve fully in service to others Quantum vision how the teaching of emptiness allows us to pierce the illusion of materialism and accurately perceive the subtlest nature of reality Dr Neale s MAPS process Maturity Acceptance Possibility and Seeds to integrate and manifest key insights and skills in your everyday life The mass market dilutions of Eastern wisdom that focus on symptom relief and easy answers have left behind the ultimate promise of spiritual practice enlightenment Enlightenment is an unfolding process open to everyone writes Dr Neale For most of us this path to awakening must be realized through a gradual process building on incremental insights into who we truly are learning to care for ourselves and others and discovering creative ways to engage the problems we all face Gradual Awakening will serve as a lifelong companion for anyone willing to embrace a new paradigm that integrates science with spirit theory with practice and personal meditation with the desire to transform the world A portion of the proceeds from this book will benefit the Buddhist nuns of Kopan Nunnery in Nepal

Gradual Awakening Levine, Barakat, Stephen Levine, 1987-01-15 [A Gradual Awakening](#) Stephen

that is inherent in all sentient beings. Such an awareness does not need to be developed but must simply be recognized or better recognized through the unmediated experience of insight. Even after this initial awakening, however deeply engrained proclivities of thought and conduct may continue to disturb the practitioner, these can only be removed gradually as his or her practice matures. Chinul's sudden awakening/gradual cultivation soteriology became emblematic of the Buddhist tradition in Korea. Excerpts translated here in its entirety by the preeminent Western specialist in the Korean Buddhist tradition goes on to examine Chinul's treatments of many of the quintessential practices of Zen Buddhism including nonconceptualization or no thought and the concurrent development of meditation and wisdom as well as for the first time in Korean Zen examining meditative topics, *kanhwa*. So what we in the West know better as *kans* after its later Japanese analogues. Fitting this new technique into his preferred soteriological schema of sudden awakening/gradual cultivation was no simple task for Chinul. *Numinous Awareness Is Never Dark* offers an extensive study of the contours of the sudden/gradual debate in Buddhist thought and practice and traces the influence of Chinul's analysis of this issue throughout the history of the Korean tradition. Copiously annotated, the work contains extensive selections from the two traditional Korean commentaries to the text. In Buswell's treatment, Chinul's Excerpts emerges as the single most influential work written by a Korean Buddhist author.

Buddha-Dharma Pure and Simple Vol. 2 Venerable Master Hsing Yun, 2024-08-01. In today's Buddhist sphere, numerous claims have been made on what the Buddha has taught. However, were these teachings truly spoken by the Buddha? The *Buddha Dharma Pure and Simple* New Edition is an exploration of over 300 topics where Venerable Master Hsing Yun clarifies the Buddha's teachings in a way that is accessible and relevant to modern readers. Erroneous Buddhist views should be corrected, and the true meaning of the Buddha must be preserved to hold true to the original intents of the Buddha.

Comparative Mysticism Steven T. Katz, 2013. This collection of primary texts introduces readers to the mystical literature of the world's great religious traditions. Beginning with an introduction by Steven T. Katz, a leading scholar of mysticism, the anthology comprises poetry, prayer, narrative, and other writings from Jewish, Christian, Muslim, Hindu, Buddhist, Taoist, Confucianist, and Native American traditions. This collection provides readers not only with the primary mystical texts from each religious tradition but with an explanation of the context of the source and tradition. *Comparative Mysticism* shows how the great mystical traditions of the world are deeply rooted in the religious traditions from which they originated. The contextual, methodological approach taken throughout the anthology also addresses the critical question of what these mystical traditions at their highest level have in common. Despite the prevailing view that mystical traditions throughout the world are essentially similar, the presentation of the sources in this volume suggests that, in fact, the various traditions have distinct teachings and different metaphysical goals. The writings collected in *Comparative Mysticism* address the most fundamental and important methodological, epistemological, and hermeneutical questions regarding the study and interpretation of mysticism and mystical sources across cultures. This anthology will be an invaluable resource to students.
