Graham Greene Three Lives:

Graham Greene Anthony Mockler,2013 The first volume of a two volume biography of Graham Greene which looks at why the writer chose a literary career why he converted to Catholicism and how his passion for intrigue may have led to his passing secrets to the Russians whilst working under Kim Philby *Postmodern Fiction and the Break-Up of Britain* Hywel Dix,2011-11-03 This study explores how British identity has been explored and renegotiated by contemporary writers It starts by examining the new emphasis on space and place that has emerged in recent cultural analysis and shows how this spatial emphasis informs different literary texts Having first analysed a series of novels that draw an implicit parallel between the end of the British Empire and the break up of the unitary British state the study explores how contemporary writing in Northern Ireland Scotland and Wales contributes to a sense of nationhood in those places and so contributes to the break up of Britain symbolically Dix argues that the break up of Britain is not limited to political devolution in Northern Ireland Scotland and Wales It is also an imaginary process that can be found occurring on a number of other conceptual coordinates Feminism class regional identities and ethnic communities are all terrains on which different writers carry out a fictional questioning of received notions of Britishness and so contribute in different ways to the break up of Britain **British Playwrights, 1880-1956** William W. Demastes,Katherine Kelly,1996-12-09 From 1880 to 1956 when John Osborne transformed the British theater world with *Look Back in Anger* British playwrights made numerous lasting contributions and provided a foundation for the innovations of dramatists during the latter half of the 20th century This reference profiles the life and work of some 40 British playwrights active during the late 19th and early 20th centuries many of whom are also known for their work as novelists and poets Included are figures such as W H Auden Max Beerbohm Noel Coward T S Eliot John Galsworthy Graham Greene D H Lawrence W Somerset Maugham George Bernard Shaw and Oscar Wilde Each entry provides a biographical overview a list of major plays and summaries of their critical reception a list of minor plays adaptations and productions an assessment of the playwright s career and archival and bibliographical information Included in this reference book are alphabetically arranged entries for some 40 British playwrights active from 1880 through 1956 Entries are written by expert contributors with each entry providing a biographical overview a list of major plays premieres and significant revivals along with a summary of the critical reception of these works a listing of additional plays adaptations and productions an assessment of the playwright s career and contributions with reference to published evaluations in magazines journals dissertations and books a listing of locations housing unpublished archival material if available a selected bibliography of the dramatist s published plays and of essays and articles by the playwright on aspects of the theater a selected bibliography of secondary sources and when available a listing of previously published bibliographies on the playwright **More Matter** John Updike,2009-02-19 In this collection of nonfiction pieces John Updike gathers his responses to nearly two hundred invitations into print each an opportunity to make something beautiful to find within oneself
