**Gems** Robert Webster, Basil William Anderson, 1983-01-01 [Gems; Their Sources, Descriptions and Identification; Fifth Edition; QE392](#) R. Webster, 1994 **Gems** Robert Webster (Gemologist), 1975 *Non-Semitic Loanwords in the Hebrew Bible* Benjamin J. Noonan, 2019-10-29 Ancient Palestine served as a land bridge between the continents of Asia Africa and Europe and as a result the ancient Israelites frequently interacted with speakers of non Semitic languages including Egyptian Greek Hittite and Luwian Hurrian Old Indic and Old Iranian This linguistic contact led the ancient Israelites to adopt non Semitic words many of which appear in the Hebrew Bible Benjamin J Noonan explores this process in *Non Semitic Loanwords in the Hebrew Bible* which presents a comprehensive up to date and linguistically informed analysis of the Hebrew Bible's non Semitic terminology In this volume Noonan identifies all the Hebrew Bible's foreign loanwords and presents them in the form of an annotated lexicon An appendix to the book analyzes words commonly proposed to be non Semitic that are in fact Semitic along with the reason for considering them as such Noonan's study enriches our understanding of the lexical semantics of the Hebrew Bible's non Semitic terminology which leads to better translation and exegesis of the biblical text It also enhances our linguistic understanding of the ancient world in that the linguistic features it discusses provide significant insight into the phonology orthography and morphology of the languages of the ancient Near East Finally by tying together linguistic evidence with textual and archaeological data this work extends our picture of ancient Israel's interactions with non Semitic peoples A valuable resource for biblical scholars historians archaeologists and others interested in linguistic and cultural contact between the ancient Israelites and non Semitic peoples this book provides significant insight into foreign contact in ancient Israel
