What's Behind the Looking Glass? Eric Shepherd,2014-12-26 Most people wish they could get a second chance in life A do over and correct those mistakes that now lay hidden or buried in their closet They wish they could hide all those painful memories and lock them all away into a box Buried them so deep hoping they never resurface rather than too face them at all EJ Stuart is just such a person yet his memories are not the same nor are the hardships of abuse caused by a broken home the same as another man s down the street His nightmares are worlds apart than any man has ever faced He dreams of darkness everlasting darkness so evil that it can tear a man s mind apart Death to some is only a beginning to something else but what if it was designed to change the outcome entirely yes a redo But what of the cost and are you willing to pay for it even if it is your very soul is at stake EJ Stuart as man now a statuses quo in this world is given the opportunity But first he must choose to as he sits one last time on porch alone waging war with his darkest thoughts That brought him to this stage of life which hunts his dreams and has now entered his waking state Which will he chose Death or a chance to change his destiny forever knowing his very soul is at stake Knowing he could never come back Knowing his life could be changed forever and others around him For this choice is a gift which can only be obtained Behind the Looking Glass Where worlds such as Nightmares Monsters and Fairytales are real and some or seeking his very soul others are asking for help his help to save his and their world from the grasp of evil Choose well **Ye Shall Know Them by Their Fruit** David L. Cain,2003-11-10 As the second installment of the Jazzrah Chronicles Ye Shall Know Them by Their Fruit Jazzrah discovers that his life was spared after risking it to save Cassandra Lewis the last soul that he was sent to collect for the demonic Bial Despite the sentence charged against him for his former alliance with evil Jazzrah commits to change his life by attempting to undo the evil deeds of his past by completing only faith based good deeds In the small town of Anniston Alabama three teenage boys commit to escape the chains of poverty and live out their dreams Jerome believes that his athletic skills on the basketball court represent the best ticket for him to release the strong grip of poverty Ray spends most of his time and energy trying to convince everyone that his pugilistic skills are capable of lifting him up EJ teased often for being a church boy sets out a path that is paved by hard work in the classroom Each is convinced that they have selected the right path and have accepted a dare to meet at a designated spot at a designated time in the future to compare results Unaware of the supernatural influences that surround each of them they discover many years later a valuable lesson about their values Bliss Fredrick Soukup,2020-03-02 In search of meaning amid America s sedated upper middle class a cynical college graduate forgoes medical school and moves to inner city Chicago When he falls in love with a woman uncompromisingly devoted to her community he finds himself caught between two lives one he does not want and one he cannot have Bliss is The Graduate of our time *Flipping Numbers PT 1* Ernest Morris,2015-01-01 TEXT GOOD2GO to 31996 To receive new release updates via text message EJ is a normal guy living a normal life that is until he meets Maria a

woman that changes his life forever Maria teaches him how to make fast money by just flipping a few numbers EJ quickly goes from a regular joe to a man of power But he s forced to learn the hard way that with more money comes more problems and with more problem EJ is forced to keep flipping numbers Step into EJ s world where money rules and one bad flip can end your life Gambling, the State and Society in Thailand, c.1800-1945 James A. Warren,2013-07-18 During the nineteenth century there was a huge increase in the level and types of gambling in Thailand Taxes on gambling became a major source of state revenue with the government establishing state run lotteries and casinos in the first half of the twentieth century Nevertheless over the same period a strong anti gambling discourse emerged within the Thai elite which sought to regulate gambling through a series of increasingly restrictive and punitive laws By the mid twentieth century most forms of gambling had been made illegal a situation that persists until today This historical study based on a wide variety of Thai and English language archival sources including government reports legal cases and newspapers places the criminalization of gambling in Thailand in the broader context of the country s socio economic transformation and the modernization of the Thai state Particular attention is paid to how state institutions such as the police and judiciary and different sections of Thai society shaped and subverted the law to advance their own interests Finally the book compares the Thai government s policies on gambling with those on opium use and prostitution placing the latter in the context of an international clampdown on vice in the early twentieth century **To-day** ,1895 **Laughing Girl Creek** Kent Conwell,1996-06 E J Colter liked his life just the way it was The tough rancher with the missing ear had his cattle and horse Joe what did he need with a passel of young uns claiming to be the children of a brother he had seen neither hide nor hair of in eighteen years But E J would never turn his back on kin even if those kin were nothing but trouble Then just as he was beginning to get used to having them underfoot they went and got themselves kidnapped After battling fire snakes and bears to protect the youngsters E J was darned if he d let a few outlaws stand between him and his newfound family
