Galloper Jack:

Galloper Jack Brough Scott,2012 This is Brough Scott s moving biography of his grandfather the author of the best selling Warrior Galloper Jack Seely was at the heart of some of the most important events of the first part of the 20th century His early life was one of adventure sailing to the antipodes saving the crew of a French ship wrecked off the coast of the Isle of Wight and later raising a squadron and joining the Boer War where he was awarded the DSO for his bravery On his return to England he was elected Conservative MP for the Isle of Wight but just like his close friend Winston Churchill later crossed over to the Liberal party At the outbreak of the First World War Seely went to the Western Front and there made his name as a humane and innovative leader Written with honesty and wit this is an exciting unusual and thought provoking biography of a man who has been unfairly treated by history *Galloper Jack* Brough Scott,2004-03-01 Galloper Jack Seely Brough Scott s grandfather was at the heart of some of the most important events of the first part of the twentieth century His early life was one of adventure sailing to the antipodes saving the crew of a French ship wrecked off the coast of the Isle of Wight and later raising a squadron and joining the Boer War where he was awarded the DSO for his bravery On his return to England he was elected Conservative MP for the Isle of Wight but just like his close friend Winston Churchill later crossed over to the Liberal party There he became a member of Asquith s War Council and proved a success However disaster struck in the shape of the Curragh mutiny Though Seely had little choice in his actions he was made a scapegoat Forced to resign Jack was sent to the Western Front and there made his name as a humane and innovative leader However it was this experience that changed his entire world His insistence that there should never be another Great War led him to embrace appeasement without questioning the Nazi regime It was a decision that would haunt him for the rest of his life Written with honesty and wit this is an exciting unusual and thought provoking biography of a man who has been unfairly treated by history Brough Scott s odyssey is truly an engaging one the story is all energy with a journalist s eye for the evidence and told with obvious affection and honesty Allan Mallinson The Times **Churchill's Secret Enemy** Jonathan Pile,2012 Reveals evidence of a Watergate style conspiracy by British appeasers against Churchill masterminded by ex MI5 officer and Conservative Party fixer Sir Joseph Ball funded by murdered Bahamas Tax Exile Gold Magnate Sir Harry Oakes and British Pro Nazis Ball s friends included Cambridge Spy Guy Burgess and James Bond Author Ian Fleming Events culminate in the mysterious stopping of Big Ben the arrival of Rudolf Hess in Scotland 11 years of research reveal how close Churchill came to losing his seat in parliament selling his beloved Chartwell the dirty tricks used against him and how close England came to joining the Axis *The Children of Castletown House* The Hon. Sarah Conolly-Carew,2012-09-01 Castletown House Ireland s largest and earliest Palladian style house was built between 1722 and 1729 for William Conolly Speaker of the Irish House of Commons and the wealthiest commoner in Ireland In 1967 the house was bought by the Hon Desmond Guinness founder of the Irish Georgian Society and opened to the public In 1994 ownership of the house was transferred to the State and it is now

equally distinguished by its magnificent visual resources original and intricate maps and diagrams over 200 resonant and remarkable archive images from the time many rarely seen and modern color photographs showing how historic battlefields look nowadays and paying tribute to the magnificent and poignant cemeteries monuments and ossuaries that mark the fallen for today's battlefield visitor Every reader no matter how well informed already on the history of World War I will learn something new from this extraordinary and exhaustive volume No one interested in the true story and sheer sweep of the Great War on the Western Front can afford to be without it

Blue Peter, 1926 **TRANSPOSITIONES 2024 Vol. 3, Issue 2: Queer Animalities** Gabriela Jarzębowska, Justyna Schollenberger, 2024-10-07 This issue explores two distinct yet deeply interconnected areas of academic debate animal studies and queer studies The concept of queer ecology has gained a growing interest in the academia highlighting the importance of intersectional understanding of ecological multi species and sexual exclusions and entanglements The authors gathered in this issue engage with the connections between animalities and queerness in a way that casts a new light on these concepts They do so in a variety of ways in which entanglements between them may occur while providing in depth theoretical analyses of what implications arise from bringing them under one umbrella

Kilda Hall Frances Martin (Miscellaneous Writer.), 1877 **Field Marshal Sir Henry Wilson** Keith Jeffery, 2006-03-09 Field Marshal Sir Henry Wilson an Irishman who in June 1922 was assassinated on his doorstep in London by Irish republicans was one of the most controversial British soldiers of the modern age Before 1914 he did much to secure the Anglo French alliance and was responsible for the planning which saw the British Expeditionary Force successfully despatched to France after the outbreak of war with Germany A passionate Irish unionist he gained a reputation as an intensely political soldier especially during the Curragh crisis of 1914 when some officers resigned their commissions rather than coerce Ulster unionists into a Home Rule Ireland During the war he played a major role in Anglo French liaison and ended up as Chief of the Imperial General Staff professional head of the army a post he held until February 1922 After Wilson retired from the army he became an MP and was chief security adviser to the new Northern Ireland government As such he became a target for nationalist Irish militants being identified with the security policies of the Belfast regime though wrongly with Protestant sectarian attacks on Catholics He is remembered today in unionist Northern Ireland as a kind of founding martyr for the state Wilson's reputation was ruined in 1927 with the publication of an official biography which quoted extensively and injudiciously from his entertaining indiscreet and wildly opinionated diaries giving the impression that he was some sort of Machiavellian monster In this first modern biography using a wide variety of official and private sources for the first time Keith Jeffery reassesses Wilson's life and career and places him clearly in his social national and political context
