Gambling Gunfighters of the OldWest G. R. Williamson,2021-01-09 Most of the gamblers of the Old West got their start and reputations by working the circuit of the Mississippi River boats the railhead cattle towns of Kansas or the boomtowns that popped up around gold or silver mining The gunfighter Ben Thompson got his start by running the Bull s Head Saloon with partner Phil Coe in Ellsworth Kansas Ben s friend Bat Masterson also started his career in the cattle towns of Texas and Kansas In general these legendary gamblers were known as legitimate or that they played a fair game without cheating Truth be told all of them knew the methods employed by the sharps to clean the pockets of the other players at the table They had to know these tricks in order to spot a cheater at their table Did they ever use any of these advantages to increase their odds Probably so but the public s perception of these men was that they ran a square game Hip Pocket History of the Old West Series This compact book that gives concise accounts of odd or little known facets of the American West Historically accurate but told in an easy to read format with just a twist of humor Informative yet entertaining the Hip Pocket History series provides little nuggets without having to wade through a 400 page book of dry academic ostentatiousness
