International Travel and Tourism Donald E. Lundberg,Carolyn B. Lundberg,1993-05-10 Describes where and how
Americans travel abroad Analyzes American travel and relates this information to tourism and travel operations In this
revised edition there are new chapters which cover international air travel and hotelkeeping air safety and the travel agent
There is also an up to date overview of the international travel business included in a new introductory chapter Tourism
Principles, Practices, and Philosophies Robert Woodrow McIntosh,1972 Accessible Tourism Dimitrios Buhalis,Simon
Darcy,2011 Inclusion disability an ageing population and tourism are increasingly important areas of study due to their
implications for both tourism demand and supply This book therefore sets out to explore and document the current
theoretical approaches foundations and issues in the study of accessible tourism In drawing together the contributions to this
volume the editors have applied broader social constructionist approaches to understanding the accessible tourism
phenomena Accessible tourism as with any area of academic study is an evolving field of academic research and industry
practice As with other areas of tourism the field is multidisciplinary and is influenced by various disciplines including
geography disability studies economics public policy psychology and marketing
