First R Every Child's Right To Read:

The First R Paulus Willem van den Broek, 1996 Contributors argue that literacy is a right for all children not just the most advantaged and explore the trend toward holistic open and student centered teaching practices to help achieve this goal

The First R: Every Child's Right to Read, 1996 *Contemporary Readings in Literacy Education* Marva Cappelino, Barbara Moss, 2010 *Contemporary Readings in Literacy Education* is designed to provide students with high quality journal and research articles in literacy education The readings are contextualized with introductions and discussion questions by the editors of the text The text will help instructors to easily integrate the latest research into their course in a meaningful way This reader with edited content and contextualizing material makes the latest research more interesting and accessible to the students of literacy education

Handbook of Reading Disability Research Anne McGill-Franzen, Richard Allington, 2010-09-17 Bringing together a wide range of research on reading disabilities this comprehensive Handbook extends current discussion and thinking beyond a narrowly defined psychometric perspective Emphasizing that learning to read proficiently is a long term developmental process involving many interventions of various kinds all keyed to individual developmental needs it addresses traditional questions What is the nature or causes of reading disabilities How are reading disabilities assessed How should reading disabilities be remediated To what extent is remediation possible but from multiple or alternative perspectives Taking incursions into the broader research literature represented by linguistic and anthropological paradigms as well as psychological and educational research the volume is on the front line in exploring the relation of reading disability to learning and language to poverty and prejudice and to instruction and schooling The editors and authors are distinguished scholars with extensive research experience and publication records and numerous honors and awards from professional organizations representing the range of disciplines in the field of reading disabilities Throughout their contributions are contextualized within the framework of educators struggling to develop concrete instructional practices that meet the learning needs of the lowest achieving readers

Resources in Education, 1997-07 Issues and Trends in Literacy Education Richard David Robinson, Michael C. McKenna, 2008 This issues reader presents current information on critical trends and developments in literacy education to help teachers choose and articulate their own informed approach to reading education Now in its Fourth Edition *Issues and Trends in Literacy Education* continues to present a wide variety of opinions and positions in all crucial aspects of reading and writing education This new edition includes up to date discussions on current topics such as fluency the use of technology in reading and multicultural literacy among others Renowned authors Dick Robinson Mike McKenna and Judy Wedman gear students to success by presenting scrupulously researched material that meets the NCATE International Reading Association requirements for accreditation of graduate reading programs A Letter to Students from the Authors Dear Reader The authors of this literacy education textbook welcome you to the study of this important aspect of instruction You are probably quite aware of the many current

controversial topics in literacy such as assessment the use of technology and approaches to the teaching of reading skills This new edition of *Issues and Trends in Literacy Education* was organized around a number of the most critical questions in the current field Articles in each of these areas were selected primarily on the basis of providing you the reader with the latest information as well as varying opinions on a wide variety of literacy topics One of the primary goals of this book is for you to use these readings as a springboard for further investigation in topics that interest you related to effective literacy instruction Each of the chapters includes a selection of related readings for additional study in a particular area of reading education These can be used for in depth study as well as a basis for personal research and writing of related class papers and presentations The field of literacy education is a rapidly expanding and changing area in education We hope you find the materials in this book to be both challenging and interest as you continue your study of this field Thank you Dick Robinson Mike McKenna
