Community Emergency Response Team CERT Basic Training Instructor Guide is a critical program in the effort to engage
everyone in America in making their communities safer more prepared and more resilient when incidents occur Community
based preparedness planning allows you and others interested from your community to prepare for and respond to
anticipated disruptions and potential hazards following a disaster As individuals we can prepare our homes and families to
cope during that critical period Through pre event planning neighborhoods and worksites can also work together to help
reduce injuries loss of lives and property damage Neighborhood preparedness will enhance the ability of individuals and
neighborhoods to reduce their emergency needs and to manage their existing resources until professional assistance
becomes available The purpose of the CERT Basic Training is to provide you and others in your community who complete this
course with the basic skills that they will need to respond to their community s immediate needs in the aftermath of a
disaster when emergency services are not immediately available This course will be beneficial to individuals who desire the
skills and knowledge required to prepare for and respond to a disaster Instructors for these community courses usually range
from skilled fire and rescue instructors that have completed the CERT Train the Trainer course and are knowledgeable about
the CERT model different types of hazards that present greatest risks for communities local building structures that may
present greatest hazard in disaster events community s emergency operation plans and licensed Paramedics or Emergency
Medical Technicians and nurses for providing hands on knowledge relating to disaster medical operations Related items
