Modern Classics Good Morning Midnight Jean Rhys,2000-08-29 Jean Rhys s *Good Morning Midnight* is an unforgettable portrait of a woman bravely confronting loneliness and despair in her quest for self determination In 1930s Paris where one cheap hotel room is very like another a young woman is teaching herself indifference She has escaped personal tragedy and has come to France to find courage and seek independence She tells herself to expect nothing especially not kindness least of all from men Tomorrow she resolves she will dye her hair blonde Jean Rhys was a talent before her time with an impressive ability to express the anguish of young women In *Good Morning Midnight* Rhys created the powerfully modern portrait of Sophia Jansen whose emancipation is far more painful and complicated than she could expect but whose confession is flecked with triumph and elation With an introduction by A L Kennedy Her eloquence in the language of human sexual transactions is chilling cynical and surprisingly moving A L Kennedy **I Used to Live Here Once** Miranda Seymour,2022-06-28 Enthralling Seymour powerfully evokes the world from which Rhys never really escaped one of prejudice abuse and abuse s shamefaced offspring complicity James Wood *The New Yorker* An intimate profoundly moving biography of Jean Rhys acclaimed author of *Wide Sargasso Sea* Jean Rhys is one of the most compelling writers of the twentieth century Memories of her Caribbean girlhood haunt the four short and piercingly brilliant novels that Rhys wrote during her extraordinary years as an exile in 1920s Paris and later in England a body of fiction above all the extraordinary *Wide Sargasso Sea* that has a passionate following today And yet her own colorful life including her early years on the Caribbean island of Dominica remains too little explored until now In *I Used to Live Here Once* Miranda Seymour sheds new light on the artist whose proud and fiercely solitary life profoundly informed her writing Rhys experienced tragedy and extreme poverty alcohol and drug dependency romantic and sexual turmoil all of which contributed to the Rhys woman of her oeuvre Today readers still intuitively relate to her unforgettable characters vulnerable watchful and often alarmingly disaster prone outsiders women with a different way of moving through the world And yet while her works often contain autobiographical material Rhys herself was never a victim The figure who emerges for Seymour is cultured self mocking unpredictable and shockingly contemporary Based on new research in the Caribbean a wealth of never before seen papers journals letters and photographs and interviews with those who knew Rhys *I Used to Live Here Once* is a luminous and penetrating portrait of a fascinatingly elusive artist **Marking Whiteness** Sonita Sarker,Jennifer Nesbit,2025-09-01 The collection is divided into three parts to address the practices of Whiteness in modernist studies Aesthetics Intersectionality and Inter disciplinary

Practice We begin with aesthetics because modernism is the aesthetic produced in dynamic relation to the cultural formations of modernity perceived rapid changes in labor transportation technology and perceptions of body mind and even character Essays in this section examine how the production of Whiteness is baked in as a positive value in assessing the value of cultural production The second section focuses on the embodiment of Whiteness primarily through the gendered and racialized female body as a deflective practice that unmarks Whiteness while making it central to cultural crises around morality national borders and futurity The third section considers the tacit prioritization of Whiteness as a positive value through institutional structures and pedagogical practice these case studies ruminate on the generative potential of isolating and marking these effects In each essay scholars examine the stakes of marking Whiteness as a category of analysis distinct from yet wholly imbricated with racial categorization given the potential for reification inherent in all strategies of marking

Jean Rhys's Modernist Bearings and Experimental Aesthetics Sue Thomas,2022-01-27 Addressing Jean Rhys s composition and positioning of her fiction this book invites and challenges us to read the tacit silent and explicit textual bearings she offers and reveals new insights about the formation scope and complexity of Rhys s experimental aesthetics Tracing the distinctive and shifting evolution of Rhys s experimental aesthetics over her career Sue Thomas explores Rhys s practices of composition in her fiction and drafts as well as her self reflective comment on her writing The author examines patterns of interrelation intertextuality intermediality and allusion both diachronic and synchronic as well as the cultural histories entwined within them Through close analysis of these this book reveals new experimental thematic generic and political reaches of Rhys s fiction and sharpens our insight into her complex writerly affiliations and lineages

Exploring Cultural Identities in Jean Rhys' Fiction Cristina-Georgiana Voicu,2014-07-24 Using a theoretical approach and a critical summary combining the perspectives in the postcolonial theory psychoanalysis and narratology with the tools of hermeneutics and deconstruction this book argues that Jean Rhys s work can be subsumed under a poetics of cultural identity and hybridity It also demonstrates the validity of the concept of hybridization as the expression of identity formation the cultural boundaries variability the opposition self otherness authenticity fiction trans textuality and the relevance of an integrated approach to multiple cultural identities as an encountering and negotiation space between writer reader and work The complexity of ontological and epistemological representation involves an interdisciplinary approach that

blends a literary interpretive approach to social anthropological cultural and historical perspectives The book concludes that in the author s fictional universe cultural identity is represented as a general human experience that transcends the specific conditionalities of geographical contexts history and culture The construction of identity by Jean Rhys is represented by the dichotomy of marginal identity and the identification with a human ideal designed either by the hegemonic discourse or metropolitan culture or by the dominant ideology The identification with a pattern of cultural authenticity of racial ethnic or national purism is presented as a purely destructive cultural projection leading to the creation of a static universe in opposition to the diversity of human feelings and aspirations Jean Rhys s fictional discourse lies between the anxiety of authorship and the anxiety of influence and shows the postcolonial era of uprooting and migration in which the national ownership diluted the image of a home ambiguous located at the boundary between a myth of origins and a myth of becoming The relationship between the individual and socio cultural space is thus shaped in a dual hybrid position

Wounded Images Kristine M. Whaley,2024-03-27 This volume works through deconstructing traditional models of the imago Dei in search of a more inclusive understanding of the doctrine one that allows for literature to bring important questions to bear Brief analyses of Karl Barth and Paul Tillich and then growing dissatisfaction with the two in various liberation theologies brings to light the problems of a perfected image of God An exploration of four novels by Jean Rhys between 1928 and 1939 then follows the footsteps of Katie Cannon and others who include literature in their theological work The Rhys novels follow tragic stories of women who are wounded both by others and by their own inability to see themselves as worthy Through the questions these women ask about themselves and God the reconstruction of the imago Dei is set up This reconstruction centers trauma wounds and a non contrastive transcendence that Kathryn Tanner defines Ultimately it is not in how we are perfect but rather through our risks our wounds and even our grief that we connect to God
