Good German A Novel:

The Good German Joseph Kanon, 2004-01 The German Novel, 1939-1944 H. Boeschstein, 1949-12-15 This book begins the large task of sorting out the vast number of German literary works which the war has piled up before us The author has culled over four hundred novels and critical works and by indicating the numbers and content of the more significant novels and some of their stylistic characteristics he has shortened the task of future research If this investigation provides a fair indication it appears that the widely held conviction that German publishers brought out nothing but trash during the war years is mistaken By now students of literature should be in a sufficiently intelligent and tolerant mood to accept some detailed evidence and to begin to scrutinize it objectively The present study is intended as a step in that direction

Women, Emancipation and the German Novel 1871-1910 Charlotte Woodford, 2017-12-02 In novels written at the end of the long nineteenth century women in Germany and Austria engaged with some of the most pressing social questions of the modern age Charlotte Woodford analyses a wide range of such works many of them largely forgotten in the context of the contemporary cultural discourses that informed their creation such as writings on pacifism and socialism prostitution birth control and sexually transmitted diseases Women's experience of contemporary medicine as patients and doctors is a fascinating theme treated here by several authors Through a close reading of works by Marie von Ebner Eschenbach Minna Kautsky Gabriele Reuter Helene Bohlau Ilse Frapan Hedwig Dohm Lou Andreas Salome and others this study shows how writers determination to validate women's experience of the problems of modernity informed the aesthetic development of the novel by women
