Beyond Multiculturalism Charles A. Cook, Lorajoy Tira-Dimangundayao, Lauren Umbach, 2024-10-29 The Canadian socio cultural landscape is undergoing constant transformation due to immigration Communities of faith have traditionally embraced this diversity through a stance of hospitality framed by a modern idea of multiculturalism However the modern idea of multiculturalism often falls short of fully integrating newcomers into the family life and leadership of a congregation As diverse cultural expressions of world Christianity continue to blossom throughout Canada both new and established Canadians must explore relational approaches to transcend historical cultural racial and linguistic divides The goal is to foster genuine community and forge deeper covenantal unity allowing the transformative nature of King Jesus to be evident to the world Beyond Multiculturalism advocates for Christians to showcase tangible examples of Jesus Kingdom culture in which humility compassion and self giving love are valued Authored by Canadian scholars and practitioners representing twelve ethnicities and ten denominations the chapters delve into various theological sociological and pragmatic aspects that churches should address These considerations aim to guide churches into deeper conversation enabling them to align with the evolving dynamics of God s work in Canada and worldwide
