Church Growth and the Whole Gospel C. Peter Wagner, 1998-12-15 Has the church growth movement failed to stress the social dimensions of the Christian faith Dr Peter Wagner a leading exponent of church growth argues that Christians can evangelize and churches can grow strongly while at the same time participating in the global

struggle on behalf of the poor and oppressed for justice and peace for brotherhood and liberation and for the alleviation of human suffering

Above All J.D. Greear, 2019-06-01 Pastor and author J D Greear Gospel Stop Asking Jesus into Your Heart shows that the solution to the church's problems is not a new strategy or an updated message but a return to keeping the gospel above all

The Gospel for the Church Erick Hurt, 2020-09 This book is written for anyone who wants to follow the instruction of Jesus Christ to go and make disciples of all nations It is written for church leaders teachers and all who want to know what it means to be a disciple of Jesus Christ and how to make a disciple of Jesus Christ A lukewarm church Revelation 3 16 is a church that has abandoned the message of the cross The cross is no longer the central part of sermons and teachings which has left Jesus on the outside with the door closed knocking and waiting The cross is the message of power Romans 1 16 1 Corinthians 1 18 and if it's lost its place of first importance 1 Corinthians 15 3 in the church the very foundation of the church is compromised If we invite others to fill its place good speakers and good programs we close the church's door to the One who purchased her with His precious blood He who overcomes the world through believing that Jesus is the Son of God I will grant to him the privilege to sit beside Me on My throne as I also overcame and sat down beside My Father on His throne Revelation 3 21 AMP In Revelation 3 21 the promise to the overcoming church is connected to the power of the gospel Jesus died on the cross and overcame death through resurrection power then ascended to the Father was accepted and seated on His throne Our overcoming of the world the flesh and the devil is tied to the ongoing hearing of this message Oh friend may the church worldwide return wholeheartedly to the message of the cross that we might see many people die to sin and rise with Jesus to new life This study is an invitation to open the door to Jesus through returning to the message of the cross that we might experience wonderful and intimate fellowship with Him

The Nature of a Gospel Church: a Confession of Evangelical Principles: and the Members' Covenant, Etc John CHURCH (Preacher.), 1814

The Gospel in the Dock Bryan M. Christman, 2021-08-10 C S Lewis famously penned the phrase God in the Dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while we moderns have placed God there before us But what if what God's love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self-destructive ways

What on Earth is the Church? Kevin Giles, 2005-09-26 What is the church In a day when people increasingly view the church as a relic of the past this may be the most important question Christians can ask themselves The logical starting

point is Scripture In this thorough and engaging study of the church in the New Testament Kevin Giles concludes that the church is first and foremost a Christian community No other category offers greater breadth and depth of insight into its nature No other category offers such a challenge to Western individualism nor such promise for the revitalization of the church in the postmodern world What on Earth Is the Church is an exploration in New Testament theology a careful study of the ecclesial community from Jesus to Paul and on through to Revelation Each category of New Testament writings is carefully assessed with attention given to the early middle and late Pauline letters and to the theology of each Gospel Giles finds in the New Testament a community in transition never perfect always provisional and forever living in the tension between its present imperfection and its eschatological ideal The New Testament does not promise an original community to be recaptured but a variety of perspectives on being the community of God in changing social environments

The Jesus Heist C. Andrew Doyle, 2017-08-01 Provocative readings of biblical stories with thoughts on what they are saying to the church Inside the Church we are constantly and consistently reading the gospels through the lens of supporting our own institution and structure This prevents us from hearing the critique Jesus offered in his own day and his emphatic and persistent call to be and do differently now Matthew 23 1 12 Stories include Widow s Mite Rich Young Ruler Destruction of the Temple Searching for the Lost Coin Sower of the Seeds Transfiguration and the Great Commission This book flips the script of many Bible stories allowing us to hear Jesus call to change as one that is directed at us rather than as one we should direct toward others

The Heart of the Church Joe Thorn, 2017-03-07 What does the church believe Every church has a driving confession but what is the confession of a true and biblical church The Heart of the Church answers with the gospel It explains the story of the gospel its basic doctrines and God s work in salvation Fresh yet consistent with classic expressions it helps churches reclaim their essential identity and return from distracting pursuits Useful for training in membership classes discipleship groups and elder boards and even for devotional reading The Heart of the Church is at once theological practical and experiential Readers will not simply be informed but led to believe in rejoice in and be transformed by the truth of God for His gathered people Without the gospel the church does not exist This book is Thorn s full and detailed exploration of the message that is indispensable to the church s life and identity For any church lacking power any Christian feeling dry or any person seeking truth The Heart of the Church brings relief direction and light leading to worship

Gospel, Church & Kingdom James A. Scherer, 1987

The Mystery of the Gospel Evangelist Victor A. Sackey, 2016-11-18 The Mystery of the Gospel Revealing the First Century Truths About the Kingdom of God is an attempt to expose the messages of the coming kingdom of God to earth which Christ brought down from the Father unto mankind This knowledge is not known by majority of professing Christendom but God wants the latter to be encompassed by the truth because it is evident that there is an undeniable force power and sovereignty of the Spirit of God moving within the true church of God and also the end time charismatic movement of Christians The coming of Christ and his establishment of the church of God became the standard

and benchmark for living the Christian life at the time. However, due to opposing forces to the church of God and the first followers of Christ, the truth became suppressed. In other words, the first century message and essence of the coming of Christ to proclaim his coming kingdom became lost or seriously flawed. Fortunately, Christ gave a promise concerning his church. He said, "I will build my church, and the gates of hell shall not prevail against it." Despite the continuous existence of God's true church, God is still real and moving in the lives of all professing Christians who are in the majority but are ignorant of the existence of the true church of God. God is not out to save all of humanity in this lifetime but will introduce and reeducate humanity to the laws and government of heaven in the millennial rule of Christ here on earth. God is a family, and as Christ is the firstborn of many brethren, so shall the first fruit saints be called begotten and then born or resurrected as sons and daughters, and the rest of the professing Christians as the children, being re-taught the truths, laws, statutes, and commandments of God in the kingdom.

Gospel, Church, and Ministry Thomas F. Torrance, 2012-02-20. The best writing is relevant for every age. C. S. Lewis reminded us that we must always read books from different eras to avoid our own generation's blind spots. That is why these articles by Professor T. F. Torrance, Scotland's world-famous theologian, merit reading. These particular articles focus on the topics of church and ministry in light of the gospel of Christ. They have been selected first because they illustrate how T. F. understood his work as an academic theologian to be the calling of an evangelist to the church and to the intellectual life of the day, and second because they are on the whole more accessible to the average reader. The Introduction by Jock Stein relates the different chapters to the overall work of T. F., the development of his thought, and to the events of his time.

Whatever Happened to the Gospel? R. T. Kendall, 2018-02-06. Let's Get Down to the Truth. You know the prosperity gospel. The name it and claim it gospel. The political gospel. The messages being preached on at least 90 percent of religious television. But what about the Gospel? What was it? The apostle Paul was unashamed of. Most Christians don't understand what the true Gospel of Jesus is. In our church sanctuaries, pastors neglect to preach the fear of God and eternal punishment. Church communities have grown to believe that all are saved and none will be lost. Meanwhile, many other Christians lack assurance of their own salvation and focus on sanctification as their only ticket to Heaven. They ignore what was historically introduced by Jesus, filled out by the apostle Paul, and articulated by the sixteenth-century Reformers. The Gospel has been brushed to one side, and evidence of this is seen in how churches are misleading and even mistreating people. IT'S TIME TO BRING BACK WHAT IT REALLY MEANS TO BE SAVED. Respected author and theologian R. T. Kendall sounds a wake-up call for churches across the globe. *Whatever Happened to the Gospel* seeks to reacquaint you with the Gospel and reignite a passion in your heart to know more of God.

The Church Between Gospel and Culture George R. Hunsberger, Craig Van Gelder, 1996. This excellent collection of essays, written by a diverse group of Christian leaders working on the frontier of mission within the present North American context, lays the groundwork for the newly emerging missionary encounter of the gospel with North American culture. Demonstrating that the missionary identity of the church is

to be found at the intersection of culture gospel church these essays outline the missionary agenda now before the church as it confronts North American assumptions perspectives preferences and practices Jesus and the Church Paul Avis, 2020-11-26 What is church's true foundation Was the Christian church founded by Jesus or does the Eucharist make the church Paul Avis sets out his own answer to these questions Gathering a wide range of critical scholarship he argues that there is something solid and dependable at the foundation of the church's life and mission Avis argues that Jesus wanted a church in a sense but not as we know it Christ proclaimed the gospel of the Kingdom and his disciples proclaimed the gospel whose content was Jesus himself the Kingdom in person The church is battered and divided but at its core is a treasure that is indestructible the gospel of Christ embodied in word and sacrament A central theme of the book is the relationship between the church and Christ the church and the gospel the church and the Kingdom Jesus Christ crucified and risen is the sole foundation of the church but he cannot be without his people
