raised I find it amusing when I get parenting advice from those without children They seem to be the ones who have all the answers all the solutions all the right things to say all the time If only we took their advice our children would eat what s put in front of them without complaining they would go to bed every night at the same time without fighting for just 5 more minutes they would do as they are told We would have it so much easier if we just listened to them This is what I would do is something we hear on a regular basis If I were you is another one I have the luxury of having 3 siblings who while none are parents always have the best advice If you want a good laugh or a fun gift to give a friend who just loves getting unsolicited advice on their parenting skills this book will certainly be appreciated **Recipe for Good Parenting** Cheryl Saban,2007 Every parent wants their children to grow up happy and healthy and with the right values How do you get it right Take heart as this book brings together words of wisdom from successful parents so we can benefit from some good advice on building confidence in our kids and create happy families [You Deserved a Better Father](#) Robb Brandt,2010-07-05 This book is about parenting by intention and other lessons the author learned through the loss of his firstborn son It is especially for parents who believe that bits and pieces of leftover time will be enough for their own children This book is a must read for anyone who has children and a demanding vocation says Dr Gary Chapman It will bring laughter tears and hope I highly recommend it His reason for writing this book is to help fast lane parents understand that God s clock and their children s needs are not necessarily running in the same time sequence You re either there with them or you re not Despite what you may think about your indispensability to your work your clients or even in Dr Brandt s case your patients your children need and deserve you NOW Surely you don t want to find yourself in the following situation from which the book s title comes as Dr Brandt has his last words with his eight year old son lying before him in a casket I m so sorry Robbie I said My heart s breaking Robb buddy You know how much I love you and how incredibly I m going to miss you I wanted to bend down and wrap my arms around him I touched his arm Cold and stiff I wanted to remember him as warm lively and seldom still We ve had a lot of good times buddy Great times I continued Building tree houses playing whiffle ball fishing at Pine Lake and our great camping trips But I m sorry about all those times my jammed and unpredictable schedule stole a ball game or a camping trip from you You always looked so disappointed and hurt I should have known I needed to plan our family times better And how I regret all those Quickly I have to go let s have fun quickly times My fallen pal lay silent and still as pangs of guilt shivered through me You deserved better Robb A better father I said And those were my last words to my first born son
