Good To Me:

Sounds So Good to Me Barry Lee Pearson,2015-12-17 The roots of much American music lie in the intensely personal art form of the blues What bluesmen from W C Handy to B B King have told us about their lives has shaped America s perception of the blues These life stories provide central insights into blues music and stand as a fascinating form of narrative in their own right Barry Lee Pearson has conducted dozens of field interviews and collected over a hundred published autobiographies to present this collective portrait of bluesmen s careers as they themselves tell them their musical learning communities work pleasures travels triumphs and crises

The Game Was Good to Me John Crawley,2000-12-20 Yes The Game Was Good To Me until I discovered the Holy Spirit and Salvation becoming a Born Again Christian For many of my adult years I lived a life of wrong doings transgressions and sin My earliest recollections were as an earth bound child dragging a heavy gunnysack through fields of cotton and corn towering over my head I was a sharecropper s son barefooted and destined to toil for the rest of my life in a no win hard rock situation My family and I were indentured slaves to a harsh southern system From these humble beginnings I started a fantastic journey through self discipline and soul survivorship step by step through the nightmarish world of file de joie and many devious adventures I became very successful and lived in a post enclave on the famed Sutton Place New York City I flew high rubbing shoulders with fast players movers and city slick shakers I covered many major cities as my fortunes ebbed and flowed but always came up smelling like a rose How sweet it was In The Game Was Good to Me I do not use the real names of my friends associates and acquaintances unless I have their full approval otherwise substitute names are used to protect their privacy I sincerely feel that my greedy story will be a warning to young men who may attempt to walk the same dangerous paths that I once followed Ontario, Canada.
