*Turning Everyday Conversations into Gospel Conversations* Jimmy Scroggins, Steve Wright, Bennett Leslee, 2016-11-01 We live in a broken world And the gospel is how God puts broken people back together again Once we repent and believe in Jesus God's Spirit helps us recover and pursue His design God is the one who created the world and every human being in it Authors Jimmy Scroggins and Steve Wright outline a reproducible method of sharing the gospel that has been tested in the real world *Turning Everyday Conversations Into Gospel Conversations* is a simple strategy to train new and seasoned believers to join God in His reconciliation work *Turning Everyday Conversations Into Gospel Conversations* equips believers to use the innovative 3 Circles a user friendly evangelistic tool for a new generation Scroggins and Wright train readers to incorporate the biblical metanarrative as well as our own personal stories to tell the good news that Jesus has made a way out of the broken places we find ourselves Churches around the world are training people to share the gospel using this method It has proven appeal across generations and cultures They've heard stories about an 8 year old boy leading his 26 year old cousin to repent and believe in Jesus and a 70 plus year old church member who had never before shared his faith leading his Spanish speaking neighbor to Christ It's been used to train the Mixtec in Mexico Maasai Warriors in Kenya and prisoners in America It's been presented on napkins in concrete in the sand and using tortillas The 3 Circles work and this book will train you and your church members to use it It doesn't matter if you have been a Christian for decades or days you can learn to do what God asks us to do to make His appeal to others through us 2 Cor 5:20 This short training manual will empower and inspire millions of Christians to turn hundreds of millions of everyday conversations into gospel conversations

Gospel-conversation Jeremiah Burroughs, 1653      **Expository notes, with practical observations, on the New Testament** William Burkitt, 1832      The Gospel Conversation Sam Greer, 2017-11-07 Engaging in a gospel conversation is work but it works and it's worth it Casual conversations are the gateway to gospel conversations Jesus talked to people Jesus called his followers to talk to people In the early church followers of Jesus couldn't help but speak in and about the name of Jesus In the modern church too many followers of Jesus don't talk about Him at all Why are believers in the local church not talking to their family friends or each other about Christ The Gospel Conversation answers the following questions Why should followers of Jesus be engaging in gospel conversations What does engaging the lost look like in everyday life How can we connect people to Jesus one conversation at a time In *The Gospel Conversation* Sam Greer provides a biblical intentional and practical approach to engaging the lost in everyday life By unpacking a conversation that Paul had with Philemon and through his own personal gospel conversations Sam provides powerful and practical insight to help every Christ follower start gospel conversations      *Expository Notes, with Practical Observations upon the New Testament ... **The Practical Art of Spiritual Conversation** James Harrison Shultz,David Rogers,2021-03-31 The Practical Art of Spiritual Conversation is about the art of when if and how to engage in a spiritual conversation The whens and the ifs inform the how Christians can be so concerned with how to share the gospel that they often fail to consider where the person is spiritually and when or even if they should share the gospel To be sure the Scriptures are clear that followers of Christ must spread the good news Yet there are times when sharing the gospel would be undeniably inappropriate How then do gospel centered evangelistic Christians discern when to share Christ or when to stay silent What determines when and if someone is even ready to hear the gospel How does one meaningfully engage a person who has already accepted the gospel Refined through tens of thousands of spiritual encounters this book provides a helpful framework for discerning where a person is spiritually and how to encourage each person to take a step toward Christ regardless of where they may presently be in their faith journey You will be equipped in the practical art of spiritual conversation so that you can meaningfully encourage every person to take a step toward Christ

The Gospel Conversational Church Sam Greer,2019-12-16 The Gospel Conversational Church was written for the purpose of helping churches cultivate a gospel conversational culture A two fold strategy was used to accomplish this purpose 1 Prophetic inspiration from the Word of God was expounded in order to answer the question of why we should cultivate a gospel conversational culture and 2 practical insights on how to cultivate such a culture was espoused The Gospel Conversational Church was written for the local church and to the local church The book is written in such a way where pastors and leaders can use it as a training tool Yet small groups can use it as a way to study a local church s responsibility to fulfill the Great Commission
