PRAYING FOR THE JEWISH POPULATIONS ON CAMPUS

PRAYING FOR JEWISH STUDENTS ON CAMPUS

Hi! Thank you so much for deciding to journey with us through this prayer guide. It is so important and vital to pray for students who do not yet know or understand the Gospel. This particular prayer guide is designed for you to pray for campuses with a high Jewish population, so that you are better able to pray for them.

We are part of a ministry called Jews for Jesus. We relentlessly pursue God's plan for the salvation of the Jewish people. We do that through evangelism and ongoing discipleship. We are so excited to be creating this prayer guide in partnership with the EveryCampus Initiative! We hope that through this guide, you will feel better equipped to pray for Jewish students on the campus of your choosing. Even more so, it is our prayer that through this prayer walk, your heart will be opened to take a step of faith and share the Gospel with your Jewish friends and neighbors.

The amazing thing about the university or college campus is that it really is the launching place into the work world, where you will without a doubt encounter Jewish colleagues. Through praying for the campus, we have the opportunity to pray for the world. Secular education is important to many in the Jewish tradition. Many Jewish people hope to become doctors, lawyers, engineers, have good paying corporate jobs, or pursue a career in the arts. By praying for Jewish students on your campus, you are able to pray for the world that they will enter into after they graduate.

Ziggy is a Jewish believer in Jesus who studied mathematics at the doctoral level. Being Jewish was quintessential to who he was, along with his studies. One of his friends at university often
