Escape From Tomorrow:

The Girl From Tomorrow Karl Zeigfreid, Lionel Fanthorpe, Patricia Fanthorpe, 2013-12-19 Thursday began as an ordinary day as far as Estelle was concerned Breakfast Tube Office Lunch And then the sane sane simple everyday world began to fade One moment she was walking along the pleasant tree lined familiarity of her home town the next she was involved in a strange translucent sphere and life had turned into a nightmare Without warning and without explanation she found herself alone in a strange new environment There were strange stars in the unknown sky above her and the flora and fauna of her new surroundings were disturbingly unfamiliar Most minds would have yielded to the easy escape of insanity But Estelle Wilde was made of sterner stuff She fought back at the strangeness of her new setting and tried desperately to establish a new set of survival data before it was too late Piece by piece she collected her information and sat down to the mammoth task of answering the great questions Where was she How had she been brought there And why Above all was it possible to get home
