Essential Cavafy:

Essential Cavafy Cavafy, Edmund Keeley, 1995-09-21 Gathers selected poems from Cavafy that explore the history and culture of his country Greece and provides a brief biography of the poet **Essential Cavafy** Cavafy, Edmund Keeley, 1996-11-21 Cavafy's mythical world presents us with an image of the good life the life of exquisite sensuality refined tastes and mixed faiths that more often than not carries within it the ripening prospect of its own death yet in his work there appears to be no other life more worthy of celebration As ironist and realist his vision is readily translatable into the language of contemporary experience and the commitment to hedonism to political skepticism and to honest self awareness anticipates the prevailing aura of our times **Cavafy's Alexandria** Edmund Keeley, 1996 C P Cavafy one of the greatest modern Greek poets lived in Alexandria for all but a few of his seventy years Alexandria became for Cavafy a central poetic metaphor and eventually a myth encompassing the entire Greek world In this the first full length critical work on Cavafy in English Keeley describes Cavafy's literary progress and aesthetic development in the making of that myth **Merrill, Cavafy, Poems, and Dreams** Rachel Hadas, 2000 A varied and generous sampling of more than a decade's worth of prose by an important poet [Ten Poems to Change Your Life Again and Again](#) Roger Housden, 2010-04-21 Every great poem invites us to step beyond what we know what we think we can dream or dare Great poetry is a catalyst for change a change of mind a change of heart a change of life and yes over and over again and again with each new reading and each new phase of our journey That's why poetry is dangerous It gives voice to our unspoken dreams it is a mirror to our own deepest joys desires and sorrows It can tip us over into a new life into a new way of seeing and being that a moment ago we might even have had no words for In this new volume of his Ten Poems series Roger Housden takes ten great poems and in personal intimate essays shows how they led him and can also lead us into a more deeply lived and examined life Housden says Every one of the poems in this book has struck me a blow a direct hit each of them into the heart of hearts Every one of them in its own way has opened a door for me to go deeper into my own experience my own longings my own sorrows and joys and into the silence that surrounds all of this all of us always [Mediterranean Contaminations](#) Giuliano Mion, 2020-08-10 No detailed description available for Mediterranean Contaminations **Borderlines** Edmund Keeley, 2005 Borderlines is a memoir of Greece its life culture writers and people **PN Review**, 1996 *Some Wine for Remembrance* Edmund Keeley, 2001 Did a prominent Austrian statesman play a part in a brutal massacre in Greece during World War II **C. P. Cavafy** C. P. Cavafy, 2024-11-05 The acclaimed translation of the most important modern Greek poet C P Cavafy 1863 1933 is the most important figure in twentieth century Greek poetry and his poems are considered among the most powerful in modern European literature Edmund Keeley and Philip Sherrard's celebrated English translation of Cavafy's collected poems captures the poet's mixture of formal and idiomatic language the immediacy of his frank treatment of homoeroticism his brilliant re-creation of history and his astute political ironies This English only volume is a classic of modern poetry *New*

England Review ,1997 *Waiting for the Barbarians* Lewis H. Lapham,1998 With invective all the more deadly for its grace and wit Lewis Lapham editor of Harper s magazine presents a portrait of a feckless American establishment gone large in the stomach and soft in the head This acerbic commentary on the insouciance of the monied ruling class concludes with a forewarning piece where Lapham looks at the fate of indolent ruling classes throughout history *Athens* Barrie Kerper,2004 Provides a collection of travel articles on the culture cuisine and everyday life of the Greek city along with bibliographies and practical tips on transportation culinary treasures accommodations and sights *Harvard Review* ,1996

Selected Poems by C.P. Cavafy C. P. Cavafy,2015-03-08 C P Cavafy 1863 1933 is now considered by many to be the most original and influential Greek poet of this century The qualities of his poetry that were unfashionable during his lifetime are the very ones that make his work endure his sparing use of metaphor his evocation of spoken rhythms and colloquialisms his use of epigrammatic and dramatic modes his aesthetic perfectionism his frank treatment of homosexual themes his brilliantly alive sense of history and his commitment to Hellenism coupled with an astute cynicism about politics The translations in *Selected Poems* are completely new Realizing that Cavafy s language is closer to the spoken idiom than that of other leading Greek poets of his time and that earlier translations have failed to capture the immediate colloquial qualities of Cavafy s voice Edmund Keeley and Philip Sherrard have rendered his most significant and characteristic poems in a style and rhythm as natural and apt in English as the poet s is in Greek Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *On Passion* Dorothy Porter,2010-12-01 In *On Passion* celebrated Australian poet Dorothy Porter delves headfirst into the passions both literary and earthly We discover the young Dorothy Porter s drug of choice was none other than romantic love and that some of the most deeply passionate experiences of her life happened between the covers of a book Written just before she passed away in 2008 *On Passion* is a wonderful ultimately joyous insight into the creative life of one of our best loved poets *World Poets: Guillaume Apollinaire-Homer* Ron Padgett,2000 Alphabetically arranged articles on 107 poets from around the world accompanied by fifteen essays on various genres and schools of poetry *C. P. Cavafy* C. P. Cavafy,2024-11-05 The acclaimed translation of the most important modern Greek poet C P Cavafy 1863 1933 is the most important figure in twentieth century Greek poetry and his poems are considered among the most powerful in modern European literature Edmund Keeley and Philip Sherrard s celebrated English translation of Cavafy s collected poems captures the poet s mixture of formal and idiomatic language the immediacy of his frank treatment of homoeroticism his brilliant re creation of history and his astute political ironies This English only volume is a classic of modern poetry
