McDonald, 2000 A noted historian illuminates all aspects of the event that launched the Civil War the Battle of Manassas or Bull Run Through the diaries and letters of men involved in battle and over 200 halftone photos of the soldiers the horrors of war are conveyed with realism and compassion Featured are more than 45 maps

A Single Grand Victory Ethan S. Rafuse, 2002-04-01 More than 800 men lost their lives and 2 700 were wounded Confederate General Thomas J Jackson earned his legendary nickname Stonewall here as fellow Confederate General Barnard Bee later fatally wounded in the battle shouted Yonder stands Jackson like a stone wall Both the North and the South believed that a single victory in this first major battle would decide the war before it barely started Yet the first battle of Manassas or Bull Run has not received nearly the same attention as the other major clashes of the Civil War A Single Grand Victory is a highly readable concise comprehensive narrative by Ethan S Rafuse professor of history at the United States Military Academy at West Point Rafuse worked as a park ranger at Bull Run where he gained great familiarity with the site and the literature on this battle His new book incorporates insights offered in recent scholarship on Civil War military political and cultural history The author describes the factors that led President Abraham Lincoln to order an offensive against Confederates at Manassas Junction at a time when his most prominent military men advised against it The war policies of both the Union and Confederate sides are explained Rafuse offers descriptions and analysis of the individuals involved and the circumstances that influenced the manner in which the campaign was conducted He covers the critical events and operational and tactical decisions that shaped the campaign s course and outcome In addition A Single Grand Victory provides insights into American life in the nineteenth century by examining what motivated men to fight in 1861 and describing what led both North and South to expect the war would be a short one Southerners had anticipated that one victory like Bull Run would persuade the North to abandon the effort to restore the Union by force Northerners believed support for the Confederate rebellion was so shallow that one battle would end the war Civil War buffs will enjoy this lively new book that expands our understanding of the conflict at Bull Run and gives a clear account of the military history of the confrontation

Today will be known as BLACK MONDAY. We are utterly and disgracefully routed, beaten, whipped by secessionists. George Templeton Strong, Northern diarist. After the Battle of Fort Sumter in April 1861, ignited the Civil War, many in the North expected a relatively quick victory, including Abraham Lincoln. Days after the smoke had cleared in Charleston Harbor, the Lincoln Administration pushed for a quick invasion of Virginia with the intent of defeating Confederate forces and marching toward the Confederate capitol, recently relocated to Richmond. Despite the fact commanding general Irvin McDowell knew his troops were inexperienced and under unready pressure from the Washington politicians, he was forced to launch a premature offensive against Confederate forces in Northern Virginia. McDowell's strategy during the First Battle of Bull Run was grand, and in many ways it was the forerunner of a tactic Robert E. Lee, Stonewall Jackson, and James Longstreet executed brilliantly on nearly the same field during the Second Battle of Bull Run in August 1862. McDowell's plan called for parts of his army to pin down Beauregard's Confederate soldiers in front, while marching another wing of his army around the flank and into the enemy's rear, rolling up the line. McDowell assumed the Confederates would be forced to abandon Manassas Junction and fall back to the next defensible line, the Rappahannock River. In July 1861, however, this proved far too difficult for his inexperienced troops to carry out effectively. As the first major land battle of the Civil War, the First Battle of Bull Run made history in several ways. McDowell's army met Fort Sumter hero P. G. T. Beauregard's Confederate army near the railroad junction at Manassas on July 21, 1861, just 25 miles away from Washington, D.C. Many civilians from Washington came to watch what they expected to be a rout of Confederate forces, and for a while it appeared as though that might be the case. However, Confederate reinforcements under General Joseph E. Johnston's Army, including a brigade led by Thomas Jonathan Jackson, arrived by train on the eve of the battle, evening up the numbers between Union and Confederate. Shoring up the Confederates' left flank, Jackson's brigade helped reverse the Union's momentum and ultimately turn the tide, along with Confederates that arrived by train during the middle of the battle itself. As the battle's momentum switched, the inexperienced Union troops were routed and retreated in disorder back toward Washington in an unorganized
