## **Greek Conquerors:**

**Creators, Conquerors, and Citizens** Robin Waterfield, 2018-01-02 We Greeks are one in blood and one in language we have temples to the gods and religious rites in common and a common way of life So the fifth century historian Herodotus has some Athenians declare in explanation of why they would never betray their fellow Greeks to the enemy the barbarian Persians And he might have added further common features such as clothing foodways and political institutions But if the Greeks knew that they were kin why did many of them side with the Persians against fellow Greeks and why more generally is ancient Greek history so often the history of internecine wars and other forms of competition with one another This is the question acclaimed historian Robin Waterfield sets out to explore in this magisterial history of ancient Greece With more information more engagingly presented than any similar work this is the best single volume account of ancient Greece in more than a generation Waterfield gives a comprehensive narrative of seven hundred years of history from the emergence of the Greeks around 750 BCE to the Roman conquest of the last of the Greco Macedonian kingdoms in 30 BCE Equal weight is given to all phases of Greek history the Archaic Classical and Hellenistic periods But history is not just facts it is also a matter of how we interpret the evidence Without compromising the readability of the book Waterfield incorporates the most recent scholarship by classical historians and archaeologists and asks his readers to think critically about Greek history A brilliant up to date account of ancient Greece suitable for history buffs and university students alike **Creators Conquerors and Citizens** presents a compelling and comprehensive story of this remarkable civilization s disunity underlying cultural solidarity and eventual political unification
