Escape The Second Death:

Escape from Paganism Larry Ball,2008-12 Roman Catholicism is Pagan What is Paganism anyway Paganism is man generated religion True religion is God generated In this book Romish teachings are compared with scripture Romish Sacraments in fact do away with God The Greatest Escape Dr. Koos Richter,2017-08-14 In this book the author describes the Gospel as documented by Moses inspired by the Holy Spirit and being fulfilled by the Messiah The Apostle Paul once stated that many has a veil over their understanding when reading the Old Testament That veil is lifted for those who turn to the Messiah The author reveals some of the hidden messages from the Torah he received since he turned to the Messiah The Gospel according to Moses contains undeniable proof that the modern day gospel message does not comply with YHWHs standard The reader of this book will be confronted with those differences and with that comes the test of humbleness Growth is associated with pruning and stubbornness with idolatry **Escape the Second Death** Jack Van Impe,1985-01-01
